*Disclaimer: The providers on this list are not affiliated with the County of Fresno. Fresno County Department of Environmental Health does not certify or endorse any providers or BBP training courses. Many other courses are available that are not listed here. This list is intended for informational use only.

BBP training which meets Cal/OSHA's Bloodborne Pathogens Standard 8 CCR 5193 is required for persons who may be exposed to BBP while performing their routine work functions. This includes, but not limited to: tattoo artists, permanent cosmetics professionals, and body piercers. Additionally, State Body Art Regulations require that the training and training material must be specific to performing body art. BBP training contact time must meet a minimum of 2 hours. Training must be renewed annually. Records must be kept for a minimum of 3 years.
