

Lead-Safe Housing

Below is a list of housing units that were determined to be lead-safe on the clearance date indicated. This does not mean that the units listed are vacant or available for occupancy at this time. Other units at a given property that are not listed below may or may not be lead-safe. The County of Fresno makes no warranties as to the current condition of the property. Normal deterioration or activities of the property owner, tenant, or others may have created lead hazards since the lead clearance date.
