ASSESSOR-RECORDER'S OFFICE IS NOW OPEN TO PUBLIC

Assessor-Recorder's office is open to the public by following national and local social distancing guidelines.

“For over a year we provided services to our community by alternative methods for obtaining copies of vital records or recording documents to ensure the health and safety of the public and employees,” says Paul Dictos, Assessor-Recorder. “As we continue to adapt to the new normal, we are offering in-person services in Assessor-Recorder's office.”

As a reminder all of the following types of services will continue to be available to the public who prefer to conduct services remotely:

Customers can call **(559) 600-3471** for questions regarding recorded documents.
- **Birth, Death, and Marriage Records Requests** - Requests for vital records (birth, death, and marriage records) submitted online through the Vitalchek service, as well as requests through the mail will continue to be processed as usual.
