Programs that Respond to the Public Health Emergency or its Negative Impacts.	SA 2022-30	A	All	CBO - Exceptional Parent Unlimited, Inc. (EPU)	Negative Economic Impact of COVID-19: payroll, billing services, cancellation of appointments.	The State of Babies Yearbook 2021 by Zero to Three shows that, even before the COVID-19 pandemic, the littiest amongst us did not have the supports they needed to thrive. It also states that "racial and economic inequities start even before the child is born." Two in five infants and toddlers lived in families whose income was inadequate "to make the ends meet" right before the pandemic. EPU's programming over the years to break down barriers to access, isolation, instill a sense of belongingness, lift up equity, opportunity, and inclusion for all children and families that EPU gets the privilege to serve.	\$300,815
	SA 2022-06	A	All	501c3- Valley Caregiver Resources Center	Negative Economic Impacts to OASIS Program, Adult Care (Alzheimer's).	The Valley Caregiver Resources Center's Oasis Program provides services to adults with disabilities, majority being over the age of 62. The Program promotes the health, safety, and wellbeing of adults with disabilities.	\$451,071
	SA 2022-42	A	All	501c3 - Fresno Economic Opportunities Commission	To replace 33 computers (30 in the computer lab and three computers in the entry way) that are outdated at the LCC Youth Center in SW Fresno	The program site is in zip code 93706, serving a population that is primarily low-income, and individuals of color who reside in the most economically disadvantaged in Fresno. LCC's programs provide opportunities for these individuals to develop both hard and soft skills that prepare them for careers in fields with competitive wages such as forestry and solar installation, as well as opportunities to advance their goals like finishing their high school diplomas.	\$48,584
	SA 2022-12	A	All	San Joaquin Valley Insurance Authority (SJVIA)	Reimbursement of Covid-19 Medical Expenses, Fresno County employees and dependents.	The County of Fresno and its employees paid premiums into SJVIA, which were then used by the SJVIA for COVID-19 testing and treatment of County employees including their family members that are covered by their insurance provided through the SJVIA. The SJVIA is will use the funds to address the fiscal impacts in medical expenses that have been incurred due to the COVID-19 public health emergency.	\$2,426,734
	SA 2022-07	A	All	The Boys and Girls Club of Fresno County	Youth Program to address social-emotional and physical wellness for youth affected by the pandemic.	B&G Clubs are located in impoverished neighborhoods with the greatest economic and social need. The organization enables all young people, especially those who are in the most need, to reach their full potential as productive, caring, and responsible citizens. Clubs to receive funding are in: Zimmerman, East Fresno, Pinedale, Clovis, Sanger, Reedley, and Huron.	\$600,000
	SA 2022-39	A	All	501c3 - CASA of Fresno and Madera Counties	Program to recruit volunteer advocates of a diverse background that closely resemble fostered youth.	The majority of the population served by CASA are foster youth children from a low income families. Many of the foster youth served are from areas of Fresno in the most income disadvantaged neighborhoods identified by zip codes. Our population of foster youth demographics are 17 white non-Hispanics, 16% black, and 62%hispanic. Within this population some youths also have a disability such as hard of hearing, special needs, and recently identified as gay or LGBTQ+. CASA promotes education for culturally competent and implicit bias to volunteer advocates who will work directly wit the youth.	\$250,000
	SA 2022-40	A	All	501c3 - Fresno Metropolitan Ministry	Food to Share Program: redistribution of food via 49 church locations, CBOs, and senior and youth centers.	Fresno Metro Ministry's Food to Share program primarily serves neighborhoods and populations in the urban city of Fresno area with median household incomes ranging from 32%-39% below poverty level. Over half identify as Hispanic/Latino, and just under 30% as non-Hispanic White, 9% as Asian/Pacific Islander, and 7% as African American. Resident participants of our program report very low access to quality affordable health care, healthy food options, housing, family-supportive wage jobs, convenient public transportation, and other reasonable quality of life factors that would positively address health and economic opportunities.	\$512,000
	SA 2022-02	A	All	501c3 - ACTS Foundation	Distribution of Food, Household Goods, Economic Development, and Community Resources.	The ACTS food distribution program is located in Northwest City of Fresno, 4798 N. Marty Avenue in an area that is easily accessible for those families and individuals in need.	\$500,000
	SA 2022-24	A	All	501c3 - Fresh Start Youth Center DBA Mollie's House	Program for victims of trafficking: trauma-informed private counseling and psychiatric care, addiction classes to teach girls to live a sober lifestyle, equine therapy through Abundant Life Ranch, and case management and mentorship from MH staff members.	Trafficking sadly impacts young girls from all communities, but most notably from those that are underserved, as they are typically more likely to be vulnerable to grooming and recruiting tactics by traffickers. Empowering Silent Voices prioritizes keeping a staff that looks like and shares experiences with these victims, in order to make them feel safe and familiar. This project will help these girls reintegrate into society safely, without becoming a statistic.	\$180,000

Programs that Respond to the Public Health Emergency or its Negative Impacts.	SA 2022-22	A	All	501c3 - Break the Barriers, Inc.	Programs to provide skill-building services for underserved youth ages 5-17, Literacy Plus, Buddy Program, and Disable Vet Program.	Break the Barriers' Buddy Program is aimed at encouraging not just impartial treatment of all, but loving acceptance of everyone, across racial, gender, ability, class, and all other spectrums. BTB believe that Fresno's strength is in its diversity, and we will help foster positive embracing of all in Fresno. We ensure our programs are always available to prospective participants regardless of income, to ensure that all in need of our services are able to gain access to those services.	\$300,000
	SA 2022-37	A	All	501c3 - Care Fresno, Inc.	Program to provide After-school programming, tutoring, mentoring, and activities for children and youth 5-17 and GED Prep Classes and Sports Mentoring for young adults.	The Program will serve the following QTCs. Summerset Village 06019003400 2002; The Courtyard 06019004207 2023; Kings Palace 06019002903 1005.	\$300,000
	SA 2022-35	A	All	501c3 - Easter Seals Central California (ESCC)	Negative Economic Impact of COVID-19: payroll, billing services, cancellation of appointments. Funds will address economic hardship due to COVID-19	Families being served include other low-income or extremely low-income neighborhoods, specific languages, or specific cultures that they serve. Average family served has 3 children in the home. Nearly 70% of households are single income earners. These families' circumstances were further compounded by economic, racial, geographic and social inequities (a 18% increase in demand compared to pre-pandemic). More than 86% of families served live in concentrated poverty census tracts, are single-income households, and are Hispanic, Black or Southeast Asian.	\$200,000
	SA 2022-47	A	3	501c3 - Twilight Haven, Skilled Nursing Facility	Address Negative Impacts of COVID-19, recruit nursing staff and provide competitive wages, sign on bonus, and retention bonus to nursing staff and caregivers. (Maintain staffing ratios)	Twilight Haven is an equal opportunity employer and already has a very diverse staff. Twilight Haven base our hiring on qualifications, experience, availability, and background clearance. Since we have a diverse population living in our facility, it is beneficial to have a widely diverse staff.	\$500,000
Programs that Address Negative Economic Impacts to Local Businesses, Tourism, Travel, or Hospitality Sectors.	SA 2022-43	A	All	501c3 - Access Plus Capital	Program to provide financial assistance to small business via emergency grants to pay past due bills and provide technical assistance to strengthen the business.	The program would set a target to expend funds on disproportionately impacted businesses operating in Qualified Census Tracts.	\$200,000
	SA 2022-44	A	5	Clovis Rodeo Association	Loss of revenue due to the COVID-19 Pandemic.	The Clovis Rodeo works hard to be family friendly event with a low-ticket price of \$20 to \$35.00 so remains affordable to attend. The rodeo and its partners do not discriminate and encourage all to attend and participate in the annual event. There are several nonticketed events such as the rodeo parade the bring the community together at no charge as well as events throughout the month of April at the grounds that target the local community so all audiences have access. Outreach to underserved audiences, local schools and all interested is a part of the Association's core mission.	\$200,000
	SA 2022-17	A	All	Big Fresno Fair (subdivision of State)	Loss of revenue due to the COVID-19 Pandemic.	The Big Fresno Fair is located in Southeast Fresno in a Qualified Census Tract. The Big Fresno Fair serves the community and the entire County.	\$205,000
	SA 2022-05	A	5	501c3 - Dunlap Community Club	Loss of revenue - Turkey Testicle Festival.	The Club's facility is open and provides a space to gather and socialize. All are welcomed. Approximately 60% of the population in Squaw Valley, Dunlap, Miramonte, and Pinehurst live below the poverty level.	\$20,000
Projects that would make Necessary Infrastructure Investment in disadvantaged communities.	SA 2022-29	D	4	CWD - Malaga	1 Million Gallon Water Storage Tank at Well 5, address drinking water distribution capacity deficit.	The project will serve the residents of Malaga, and area that is a disadvantaged unincorporated community.	\$2,567,225
	SA 2022-41	D	1	CSD - Biola	Storm Drain Improvements	The community of Biola comprises of majority minority citizens with more than 70% Hispanic population. Biola is disadvantaged population with a annual Median Household Income of just over \$53,000.	\$649,000
	SA 2022-08	D	1	PUD - Tranquillity	Sewer Rehabilitation Project - two sewer lift stations coating, wet wells, replace lift station, emergency generators.	Tranquillity is a disadvantaged community with a reported median household income of \$36,000 for the community. The current sewer service fee is \$38 per month. The project will promote equity by making necessary improvements in an area that is disadvantaged while maintaining service affordability for District rate payers.	\$661,500
	SA 2022-36	D	4	CSD - Del Rey	Groundwater Recharge Project.	The proposed project is needed to avoid overdraft of groundwater basins and protect critical water supply. The Community of Del Rey has a population of 1,291 that will be the primary beneficiaries of the project.	\$418,000
	SA 2022-45	D	1	City of Mendota	Water Tank (200,000 gallon) and Booster Pump Station (3 booster pumps).	The Mendota Tank and Booster Pump Station's will impact the water infrastructure that will be beneficial for all residents. This project will promote strong, equitable growth, and racial equity in Mendota, California which is majority Latino population, a Severely Disadvantaged Community, and this project's primary place of performance. This project will allow future economic growth and opportunities for minority owned businesses and education to the residence of Mendota.	\$2,465,000

Programs that Respond to the Public Health Emergency or its Negative Impacts.	SA 2022-23	A	All	501c3 - Centro La Familia Advocacy, Inc	Program to engage families and individuals by a trained, linguistically appropriate Navigator to access federal, state, and local public benefits or services i.e. CalWORKS, CalFresh, health insurance, housing, and other life supporting services.	The purpose is to ensure that families and individuals challenged with transportation and geographic isolation have access to public benefits services and that enrollment is increased. Program operations will be community empowering, worker-centered, equity focused, and results and evidence focused. The Linkage and Access Program will operate out of CLFA's established Neighborhood Resource Centers in 93706, Kerman, 93722, 93726 and its satellite office in Mendota.	\$183,971
	SA 2022-38	A	All	501c3 - United Way of Fresno and Madera Counties	Increasing Community Impact Through 211 Modernization (Information Helpline).	United Way is committed to ensuring that the 211 modernization promotes strong and equitable growth across Fresno County. 211 services span across the entirety of Fresno County and are available to all persons, with no exclusionary factors. 85% of 211 callers identify as Black, Indigenous, or people of color and the average caller makes less than \$15,000 per year. This project seeks to increase the overall capacity of 211 and the CBOs involved to provide coordinated care and remove service barriers among negatively impacted communities in Fresno County.	\$600,000
	SA 2022-20	A	All	501c3 - Centro La Familia Advocacy, Inc	Program to fund home visitation, parenting education and support, child development screenings, and referrals to needed services for six months.	The four partners regularly reach Black, Latino, Asian American, persons with disabilities, persons who live in rural areas and those otherwise affected by persistent poverty and inequality. While Latino families are predominant, generally Black families are the second highest.	\$1,514,508
	SA 2022-46	A	1	City of Mendota	Match City funds to construct new single story Police Station and Council Chambers.	This project will promote strong, equitable growth, and racial equity among the community in Mendota, California which is majority Latino population, a Severely Disadvantaged Community, and this project's primary place of performance. This project will allow community policing and engagement with a variety of local organizations to promote a safe and healthy community.	\$2,906,593
	SA 2022-25	A	All	501c3 - Inspiration Transportation	Program that will provide all electric, demand-response transportation services in Fresno County's rural communities. Existing program via FCRTA.	Inspiration Transportation primarily offers its transportation services in rural areas of Southwest Fresno County, in communities that have endured decades of socio-economic, environmental, and infrastructural inequalities that have exacerbated the health of families and children. These inequalities have resulted in significantly increased rates of chronic illness and decreased life expectancy.	\$225,000
	SA 2022-15	A	All	Inc. - Bitwise Industries Inc. DE	Innovation Lab 1-yr (1-on-1 and small group assistance to address entrepreneurs barriers and needs).	The project will promote strong, equitable growth in communities most negatively impacted by the pandemic by diversifying and expanding the community of successful founders and owners in the county, and by building wealth and opportunity for marginalized people who have not had equitable access to the economy. The target population for the program is adults (18+) - particularly BIPOC, LGBTQ+ people, people with disabilities, and others demographically underrepresented among business owners and in the tech industry -who come from smaller towns and rural areas in Fresno County, and who have lost educational and employment opportunities to changes in the nature of work accelerated by the onset of COVID-19.	\$1,000,000
	SA 2022-16	A	All	Inc. - Bitwise Industries Inc. DE	Rural Micro & Small Business Digital Empowerment Program 2-yr (connect local businesses to have an online presence).	The project will promote equity and grow the economy by connecting disadvantaged businesses in rural and more disconnected areas of the county with the knowledge and tools they need to meaningfully access and adopt technology, establish an online business presence, and utilize broadband.	\$1,945,890
	SA 2022-31	A	All	501c3 - United Way Fresno and Madera Counties (UWFM)	Digital Literacy Coalition (DLC) will be integrating digital literacy and access to digital devices into their existing programs and services that benefit underserved populations living in QCTs. Advance Digital Equity.	Advancing Digital Equity and Literacy in Fresno County will serve the underserved county-wide. This project builds equity through integrating Digital Literacy into services already being delivered to underserved populations by embedded and trusted organizations and United Way as the backbone is a leader in addressing racial equity to ensure that individuals previously left behind are equipped to thrive.	\$6,790,189
	SA 2022-01	A	All	501c3 - Fresno Economic Opportunities Commission	Rooftop solar PV Infrastructure for Fresno County's Underserved Families.	Program will address racial inequity in solar PV availability in the marketplace and in disadvantaged communities.	\$1,200,115
	SA 2022-33	A	All	501c3 - San Joaquin Valley Media Alliance	Program that will fund a series of events and activities designed to educate Fresno County residents of unserved/underserved communities to address Digital Literacy, Voter Education, Broadband Infrastructure, and Advanced Communication Technology.	Area 1: Firebaugh, Mendota, San Joaquin & nearby unincorporated areas; Area 2: Sanger, Parlier, Orange Cove & nearby unincorporated areas; Area 3: Selma, Fowler, Kingsburg & nearby unincorporated areas; Area 4: Huron, Coalinga & nearby unincorporated areas.	\$35,500

Programs that Respond to the Public Health Emergency or its Negative Impacts.	SA 2022-10	A	All	501c3 - Westside Family Preservation Services Network	Marketing, Outreach, and Benefits Navigation for Enrollment in Eligible Benefits (i.e. federal and state benefit assistance programs).	The lead agency is in Huron while the other eight CBOs are headquartered in Fresno and have sites in multiple low-income areas of Fresno (southwest, southeast, central, and near Highway City), Clovis, Kerman, Reedley, Sanger, Selma, and Coalinga. Those served are disproportionately low income, primarily Hispanic/Latino (often employed in agriculture), Black, Asian American (mostly Southeast Asian-American), Punjabi Sikhs, or refugees of Serbia, Ukraine, and Southeast Asia. About 30% of applications assisted will be from rural areas.	\$2,700,027
	SA 2022-13	A	All	501c3- Helping Others Pursue Excellence (H.O.P.E.)	Three workshops by Medi-Cal Billing Consultant to educate 30 CBOs on Medi-Cal Billing, Training to Implement (2-yr program).	CBOs to be targeted to receive the information about the workshop include all those who provided COVID19 education, testing, and vaccines and the CBOs in the Community Call initially organized by a network of networks to shared public health information about the pandemic.	\$297,429
	SA 2022-03	A	All	501c3 - ACTS Foundation	Funds to purchase vehicle truck and equipment for the food distribution program.	The food program is located in NW Fresno, 4798 N. Marty Avenue in an area that is accessible for those in need.	\$173,550
	SA 2022-04	A	All	501c3 - ACTS Foundation	Mint Thrift Store: provide safe, clean, clothes and furniture at affordable prices.	Store location is located at 4798 N. Marty Avenue and easily accessible via Shaw Avenue. The Mint Thrift Store does not discriminate in the sales and services. The Mint Thrift Store will direct those in need to other ACTS Programs such as Grocery Giveaways, Senior Citizen Grocery Deliveries, and CityServe.	\$993,384
	SA 2022-28	A	All	501c3 - Fresno Interdenominational Refugee Ministries (FIRM)	Program to training front line staff, community health workers, and Benefit Navigators on housing topics and resources. (Navigation Learning Center: Cohort of 60 participants in QCTs).	The lead agency is Fresno Interdenominational Refugee Ministries (FIRM), which resides in QCT 34.00 and 54.03. All the direct service agencies involved in the project serve disproportionately impacted residents. FIRM serves refugees from Southeast Asia, the Middle East, and Ukraine/Russia.	\$111,889
	SA 2022-32	A	All	501c3 - California Rural Legal Assistance Foundation	CRLAF will provide trainings on health, public benefits, immigration relief, and how to access supportive services.	This project will support CRLAF's continued engagement providing community education and outreach to assist the County of Fresno's most vulnerable residents and families' health and economic recovery in the aftermath of this global pandemic. CRLAF will especially target those whose access to services is oftentimes challenged due to immigration status, language barriers, technological illiteracy, a lack of reliable or affordable transportation, and limited childcare options.	\$789,211
	SA 2022-09	A	All	Small business - Dr. Ignacio Guzman A Professional Medical Corp.	Mobile Health Program: education, Covid-19, early intervention/treatment for field workers, rural program	The program will focus in rural communities that are medically underserved, communities that consist of field laborers, Spanish speaking communities, and have limited education and health literacy.	\$1,845,801
	SA 2022-14	A	All	MK Enterprises & Co LLC	Affordable Housing: construct 120 housing units available as rent to own.	The project offers a better way of living for residents one that focuses on affordability, accessibility, safety, and equity while fostering mental health and encouraging stability. The need for safe, accessible, affordable housing is critical for our community and the residents we serve.	\$11,040,000
	SA 2022-19	A	All	DBA - German Business Consulting	Program to provide tech support and strategies for small businesses to increase business capacity, HR, and operations.	Will promote strong, equitable growth, and racial equity among impacted communities by working in partnership with Fresno Area Hispanic Foundation and partners in underserved communities.	\$120,000
	SA 2022-26	A	All	Fresno Metropolitan Flood Control District	Purchase new air filtration equipment to reduce transmission of airborne diseases at District facility.	The project's place of performance is the offices of the Fresno Metropolitan Flood Control District. The benefit of air filtration is for every staff member, the Board of Directors, and all visitors to the District offices, including members of the public and service providers.	\$46,883
	SA 2022-27	A	All	Fresno Metropolitan Flood Control District	Economic Impact of COVID-19: payroll, quarantine, testing, time off to care for family members.		\$43,814
	SA 2022-18	A	All	Fire District - North Central Fire Protection	Financial Assistance to purchase new fire apparatus.	The primary place of performance will be Fresno County. The Fire Protection District serves a diverse population of 51,298 residents. The Fire Protection District also provides fire suppression and protection for areas that are designated as Disadvantaged Communities.	\$915,390
	SA 2022-21	A	5	Inc. - Auberry Sawmill	Bring in 3 phase power to sawmill property.	Auberry Sawmill will ethnically diverse employees, including Auberry's Native American Residents and train and gain profession skills sets.	\$150,000
