Cameron Wright Sentenced for the Murder and Mutilation of Girlfriend

Today, July 19, 2023, Cameron Tyler Wright (22, of Fresno) was sentenced to a term of 55 years to life for the first-degree murder of his girlfriend, Samantha Sharp. Today's sentence was handed down by the Honorable Mark Cullers in Department 11 of the Fresno Superior Court after Wright entered a guilty plea back on May 18, 2023.

On January 9, 2023, the Fresno County Sheriff's Department was contacted by a reporting party that Cameron Wright was claiming to have killed his girlfriend, dismembered her body, and spread her remains throughout different locations in the county. Sheriff deputies responded to the locations that Wright provided and discovered Ms. Sharp's remains. Shortly after the discovery Wright was taken into custody and booked into the Fresno County Jail.

The Fresno County District Attorney's Office would like to thank the Fresno County Sheriff's Department for their dedication to this case.

This case successfully prosecuted by Senior Deputy District Attorney Elana Smith.
