I encourage the Fresno County Redistricting Commission to adopt the FRC Fresno County May and reject the Equity Map for these reasons: 1. The FRC Fresno County Map is created to accomodate future population growth & shifts within Fresno County. 2. The FRC Fresno County Map brings communities of interest together that were broken apart in 2011. 3. The FRC Fresno County Map reflects Fresno County's Hispanic majority population with three Hispanic-majority citizen voting age population districts. Thank you for serving our county and considering my comments.

Sincerely,  
Cheryl Risch
