Good evening all, my name is Gloria Cruz here speaking on behalf of my community in central fresno. I have lived on the streets Cedar and Barstow, a walking distance to Fresno St for 5 years. I am advocating for communities like Malaga and Calwa to be represented fairly. In those communities I have worked alongside undocumented farmworkers and they do not feel heard. I am here tonight urging you to give them a platform to be here today to express their concerns. Their sole goal coming to the US is to provide for their families and a better future. At the moment, both of those seem untenable. No matter how hard they work, they lack resources too. I know that the MAP will provide them with a voice and it is why I support Mapa de familias inclusivas de Fresno. It is my duty to ensure that these communities are not only represented but not forgotten for another 10 years. Thank you all.
