Hello, my name is Imelda Cruz, I am a northeast Fresno resident in district 2 that has been living in Fresno since 2001. My experience in Fresno has been that there is a sense of entitlement to exclude and take advantage of the Latino and overall farmworker community. That same story is told when we look at the current county lines. Today I want to voice my support for the Fresno Inclusive Families Colation Maps since I know it does a better job of including families that are traditionally left out. We cannot afford another 10 years of being excluded so please keep all the most vulnerable families into consideration when a map is decided. Thank you.
