Good afternoon. My name is Maria Madrid and I am a Clovis resident in the Tarpey Village part of town. Thank you all for your time and for allowing me to speak. I am here to speak because it is always assumed that everyone living in Clovis has it good. Unfortunately, for me that stereotype of Clovis is not the reality for me, my family, and the other families I live near. I want to voice my support for the maps that CNC and its coalition partners submitted. Including the Fresno Inclusive Families Map. I feel like this map uplifts the part of Clovis that I live in along with where many of my family and friends live throughout the county. Putting my community in a district with North Clovis will diminish my and my community's voice for another 10 years and we just cannot afford that. I urge you all to take these considerations very seriously.

Thank you,
County of Fresno
