Good afternoon everyone. Thank you for your service and for allowing me to speak today. I am also here to support the maps submitted by the Inclusive Families Coalition. The Fresno inclusive families map does well to bring up the Latino farmworker community that I belong to. This pandemic has proved again how essential to this country and to Fresno County in general. We need a map that will bring up all working families and the maps being submitted by the coalition will do exactly that.

Our farmworker community is literally everywhere in the county so it is highly important we get the maps drawn in a way that we can uplift our living situations. In Fresno in particular we are in the southeast part of town around Pilibos Park and in Central Fresno along the Blackstone corridor.

Thank you,
