I live in a rural area of Fresno County and am deeply concerned about the proposed redistricting map that is being pushed by several Democratic partisan groups that do not reflect my values nor of my community. Additionally, from what I understand, what is being described as an "Equity Map" violates the Voting Rights Act of 1965.

There is evident partisan backing of the redistricting map, that has been drafted by proponents who openly admit (on their website), that it is designed to generate electoral outcomes in favor of the Democratic Party. The proposed "Equity Map" clearly violates the "spirit" of the law governing redistricting. I ask that the current district map remain in place.
