Dear Fresno County Board of Supervisors,

My name is Zena Chafi and I am a Community Organizer with CAIR SVCC. I am writing on behalf of two Muslim communities of Interest. The Muslim COI is located in Northwest Fresno around Masjid Badr which is bound by Bullard ave to the south, marks ave to the East, Highway 99 on the West, and continues North of Herdon. The Muslim COI in Northeast Fresno near Fresno State is located on Shaw Ave and bound by N 1st street to the west, E Bullard to the North, E Ashlan to the South, and N Chestnut to the East. I request that the Community of interest to be kept whole. Additionally, we would like to be in a district with West Fresno due to a large Muslim population with shared interests regarding infrastructure, COVID 19, and immigration, with communities in this area. We do not want to be in a district with urban communities surrounding North Fresno and Fig Garden due to a lack of shared interests and priorities which will dilute our voices. Thank You
