Dear Fresno County Board of Supervisors,

I write to you all to express my deepest concern with the map you are considering to be the map all Fresno County Residents will have to live with for the next 10 years.

My community, the neighborhood near the San Jose and Valentine intersection, which is deep within Fresno City limits, is placed in a district that is overwhelmingly rural. I feel that there is a lack of imagination put into map 101b in uplifting working-class north Fresno communities like mine and I worry that they are instead being diluted.

I ask that completely disregard this map. Map 116 was not considered because you all considered "too politically driven." This map has more obvious political ill-intent and which is why I ask that you do the right thing by not selecting Map 101b or any of its versions.

**13. Attach File**

Thank you,  
**County of Fresno**
