Dear Fresno County Board of Supervisors,

I write to you all to express my deepest concern with the map you are considering to be the map all Fresno County Residents will have to live with for the next 10 years.

Working-class and Communities of Interest in the district I live in, district 2, are on the verge of once again being diluted by the interests of North Fresno suburban neighborhoods like Fort Washington, Figarden, and Old Figarden. My neighborhood of El Dorado Park/Stone Soup has many differences from the previously mentioned neighborhoods. Map 101b and any of its versions would dilute the power of my neighborhood and completely goes against what was put on the record during the public process. I ask that you please consider another map as there are many red flags with map 101b.

**13. Attach File**

Thank you,

County of Fresno
