beeWHERE

Growers, PCAs, and PCBs can conduct bee checks or identify the presence of nearby hives to a proposed application site with

https://beewhere.calagpermits.org

Things to know…

* **You must know the Permit Number and Site ID Number to conduct a bee check**

* **Create a beeWhere account and login to perform bee checks**

* **Remember, prior to application, physically check your field and surrounding area for the presence of beehives**

How to Access beeWhere

Growers, PCAs & PCBs

You can use your existing **CalAgPermits** web user login

OR

Register as a **BeeWhere** user and request access to use your license or permit for bee check reports
