TOPIC: Business Property Statements Mailed to Fresno County Taxpayers

Business Property Statements have been mailed out to Fresno County taxpayers by the Assessor-Recorder. Business Statements must be annually filed by owners of taxable business personal property having an aggregate cost of \$100,000 or more.

Although the statements bear a due date of April 1, 2015, the statements may be filed with the County Assessor without penalty if they are postmarked no later than May 7, 2015.

Taxpayers who have filed in previous years may also file their Business Property Statement online. The statement mailed to them will include their Business Identification Number (BIN) needed to access their online account.

“I encourage business property owners to file their statements online,” Dictos said. “Each year a increasing number of taxpayers take advantage of the convenience of online filing.” Staff is available to answer any questions at (559) 600-3534 or pdictos@co.fresno.ca.us.
