As part of ongoing Fresno County Department of Behavioral Health (FCDBH) quality assurance program, the Fresno County Behavioral Health Plan requires that all county and contracted staff involved in direct services, billing, quality assurance, clinical supervision, etc. complete mandatory documentation and billing training. To provide greater flexibility for service providers, the previous monthly live Teams sessions are now discontinued, and these FCDBH trainings are now available on-demand.

Training Deadlines

- Mental Health (MH) Providers: All newly hired MH providers must complete the New Hire FCDBH MH Documentation and Billing Training **within 30 days of hire date**.
- Substance Use Disorder (SUD) Providers: All newly hired SUD providers must complete FCDBH New Hire SUD Documentation and Billing Training **prior to the delivery of any SUD services and annually thereafter**.

How to Access Trainings

- Via Relias: The FCDBH SUD Documentation and Billing training will now be solely available on-demand via Relias, and the FCDBH New Hire MH Documentation and Billing Training will also be available via Relias.
- Via Web Option: **For mental health providers only**, access is available via an online option for programs and agencies without access to the Relias learning platform. The instructions for accessing the new MH and SUD Documentation & Billing Trainings can be found on the DBH website at The Department webpage - [New Hire Compliance/Doc Billing Training - County of Fresno](#).
