ON SITE TRAINING APRIL 6- 17, 2026

Blue Sky Wellness Center

1617 E. Saginaw Way #108, Fresno, CA 93704

Peer Personnel training and Placement Program... an exciting opportunity for peer support training and more!

Crestwood Behavioral Health, Inc. is approved by DHCS/CalMHSA to provide two weeks of onsite, in-person facilitated training towards Medi-Cal Peer Support Specialist Certification. This course meets the 80-hour requirement for MC PSSC training. Please inquire with your training staff on the next locally scheduled **Peer Support Learning for the 21st Century**. For questions or for more information, contact us.

Complete the State of California Peer Support Specialist Certification Training requirement.

Join us as a learning partner by participating in our fun, highly interactive, participant-centered learning community.

Have fun practicing peer support skills in a safe, comfortable, and supportive environment.

Receive 6 months of ongoing, post training support.
