### Accessibility Information

The chart below explains how Accessibility Information is abbreviated in the Provider Directory, including level of Accessibility, Accessibility Indicators, and definitions of these indicators. This information is not a promise that every provider will always have the access that you may need for a disability. If you have any questions about a specific provider's site accessibility, you should call the provider's office to talk about your accessibility needs.

#### **Accessibility Requirements:**

**Excellent:** Facility meets all applicable accessibility requirements.

**Good:** Facility meets two to three of the accessibility requirements.

**Basic:** Facility meets only one of the accessibility requirements.

<i>Indicator</i>	<i>Definition</i>	<i>Criteria</i>
P	Parking	Parking spaces, including van-accessible space(s), are accessible. Pathways have curb ramps between the parking lot, office and at drop-off locations.
IB	Interior Building	Doors open wide enough to let a wheelchair or scooter user enter and have handles that are easy to use. Interior ramps are wide enough and have handrails. Stairs, if present, have handrails. If there is an elevator, it is available for public/patient use at all times the building is open. The elevator has easy to hear sounds and Braille buttons within reach. The elevator has enough room for a wheelchair or scooter user to turn around. If there is a platform lift, it can be used without help.
R	Restroom	The restroom is accessible, and the doors are wide enough to accommodate a wheelchair or scooter and are easy to open. The restroom has enough room for a wheelchair or scooter to turn around and close the door. There are grab bars that allow easy transfer from wheelchair to toilet. The sink is easy to get to, and the faucets, soap and toilet paper are easy to reach and use.
E	Exam Room	The entrance to the exam room is accessible, with a clear path. The doors open wide enough to accommodate a wheelchair or scooter and are easy to open. The exam room has enough room for a wheelchair or scooter to turn around.

#### **Examples:**

##### **Accommodations for Persons w/Physical Disabilities:**

Excellent (P, IB, R, E): The facility meets Parking, Interior Building, Restroom, and Exam Room accessibility requirements.

Good (P, R): The facility meets both the Parking and Restroom accessibility requirements.

Basic (P): The facility meets only the Parking accessibility requirements.

## Attachment A – Individual Treatment Provider Information

### How To Use This Document

Services may be delivered by an individual provider, or a team of providers, who is working under the direction of a licensed practitioner operating within their scope of practice. Only licensed, waived, or registered mental health providers and licensed substance use disorder services providers are listed on the Plan's provider directory.

Note Licensed substance use disorder services providers are listed on a separate provider directory. That directory can be found at the following website <https://www.co.fresno.ca.us/departments/behavioral-health/home/for-public/programs-services/substance-use-disorder-services/help-access>

Below are the names of all treatment providers. It will show you what program they work at. It will also show you their license number and other information. Each provider will be shown like the example below:

#### Example Provider

Practitioner Full Name, License Type, NPI # XXXXXXXXXXXX, License # XXXXX, Cultural Competency Training completed\*

\* If this statement is not there, then the provider has not completed a cultural competency training.
