Level of Care Information Age 0- 17:

Choose an item.

TARGET POPULATION INFORMATION:

Target Population: Adults 18 years and older who are at imminent risk of homelessness or homeless.

CORE CONCEPTS:

- **Community collaboration:** individuals, families, agencies, and businesses work together to accomplish a shared vision.
- **Cultural competence:** adopting behaviors, attitudes and policies that enable providers to work effectively in cross-cultural situations.
- **Individual/Family-Driven, Wellness/Recovery/Resiliency-Focused Services:** adult clients and families of children and youth identify needs and preferences that result in the most effective services and supports.
- **Access to underserved communities:** Historically unserved and underserved communities are those groups that either have documented low levels of access and/or use of mental health services, face barriers to participation in the policy making process in public mental health, have low rates of insurance coverage for mental health care, and/or have been identified as priorities for mental health services.
- **Integrated service experiences:** services for clients and families are seamless. Clients and families do not have to negotiate with multiple agencies and funding sources to meet their needs.

Please select core concepts embedded in services/ program:

(May select more than one)

Individual/Family-Driven, Wellness/Recovery/Resiliency-Focused Services

Community collaboration

Cultural Competency

Access to underserved communities

Please describe how the selected concept (s) embedded :

Individual/Family-Driven, Wellness/Recovery/Resiliency-Focused Services
 Staff incorporate a strength-based approach utilizing Motivational Interviewing (MI) techniques, which allow persons served to build upon their current positive behaviors, strengths and qualities as part of their recovery. The staff utilize diversion skills to support and assist clients to reconnect with immediate/extended family members and peer groups for housing related support.

Community collaboration
 The OEL staff have frequent collaboration with both internal Kings View programs and outside agencies for linkage services. The staff utilize a warm

hand-off approach to ensure successful linkage and excellent delivery of services to (emergency shelter, housing, mental health, substance treatment, physical, financial and social service support).

Cultural Competency

Cultural Competency and Diversity is an integral part of the PATH OEL as we ensure non-discriminatory and respectful services to the people we serve. Kings View Cultural Competency and Diversity practices include: Events related to culturally diverse populations, providing language line and interpretation services, educating and training staff on various cultural diverse topics, and seeking staff members who represent a variety of cultural backgrounds and can communicate in cross-cultural situations.

Access to Underserved Communities

The PATH OEL Program serves the underserved population that are at imminent risk of being homeless or are experiencing homelessness. Persons served often have barriers accessing housing related services and linkages to other services including mental health, physical health, financial services, and social services. The OEL staff assist clients with linkages to emergency shelters, housing navigators for housing support, transportation to services, assistance with applying for Medi-Cal, General Relief, food stamps, and documentation (identification cards, Social Security cards and birth certificates).

Integrated Service Experiences

PATH OEL staff offer support for individuals that need housing assistance, obtaining documentation, accessing mental health, medical needs, and financial support. PATH OEL staff provide resources and linkages promptly to ensure services and needs are being followed through in a timely manner.

PROGRAM OUTCOME & GOALS

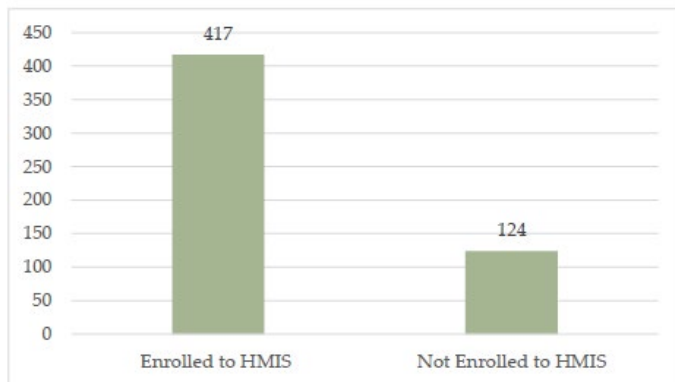

- Must include each of these areas/domains: (1) Effectiveness, (2) Efficiency, (3) Access, (4) Satisfaction & Feedback Of Persons Served & Stakeholder
- Include the following components for documenting each goal: (1) Indicator, (2) Who Applied, (3) Time of Measure, (4) Data Source, (5) Target Goal Expectancy

The Fiscal Year 21-22 Quality Workplan Summary was developed to track and report progress towards goals met and to assess performance for the identified indicators.

1. (Access) At least 350 individuals experiencing homeless will be contacted by PATH outreach workers and receive linkages to services.
 - a. The PATH Team outreached to 541 persons in the Metro Area.
 - b. Number of individuals Outreached During the Reporting Period; N = 541, Target Met

2. (Access) At least 200 persons served will enter into the HMIS system and PATH program.
 - a. 417 persons served were enrolled into the PATH program and HMIS system.
 - b. Individuals enrolled into the PATH Outreach Component; N = 417, Target Met

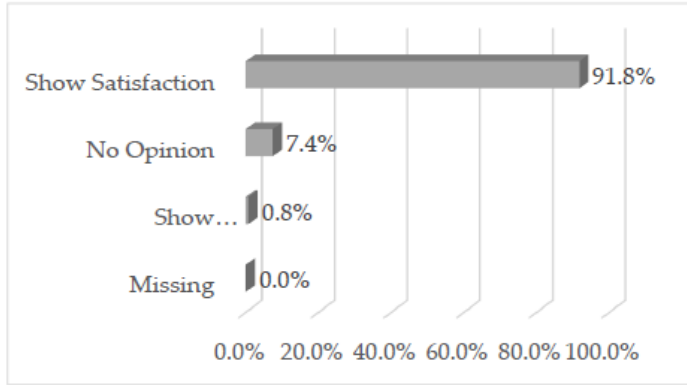

- 3. (Satisfaction) 80% of persons served by the PATH OEL Team will report a positive score (Agree + Strongly Agree) when responding to the statement, “I liked the services I received here.”
 - a. 96% of respondents indicated that they agreed or strongly agreed with the above statement.
 - b. Percentage of Individuals who reported a positive score for Satisfaction with Agency Services; N = 349, 94.3%, Target Met

- 4. (Satisfaction) 80% of persons served by the PATH OEL Team will report a positive score (Agree + Strongly Agree) when responding to the statement, “Staff are knowledgeable, competent, and act appropriate and professionally.”
 - a. 94.3% of respondents indicated that they agreed or strongly agreed with the above statement.
 - b. Percentage of Individuals who reported a positive score for Satisfaction with Staff Experience; N = 349, 94.3%, Target Met

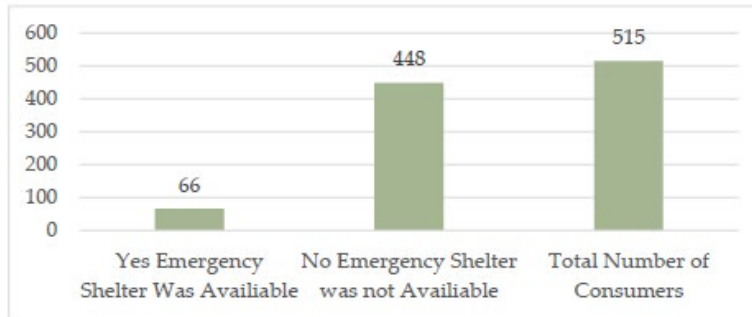

- 5. (Satisfaction) 80% of persons served by the PATH OEL Team will report a positive score (Agree + Strongly Agree) when responding to the statement, “PATH Outreach services provided the linkages to the resources I needed.”
 - a. 91.8% of respondents indicated that they agreed or strongly agreed with the above statement.
 - b. Percentage of Individuals who reported a positive score for Satisfaction with Life Functioning as an Indicator or Effectiveness; N = 349, 91.8%, Target Met

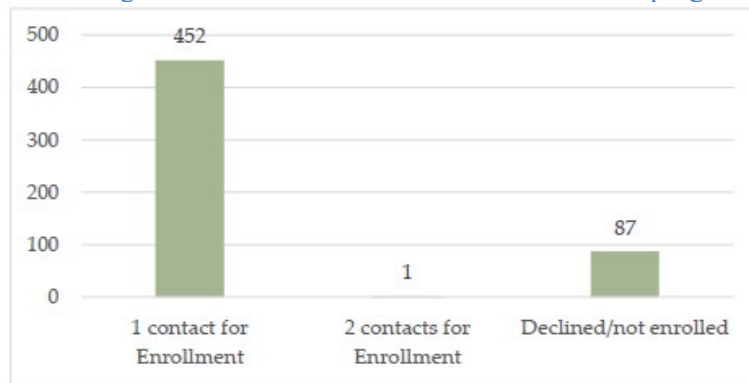

- 6. (Effectiveness) 80% of persons served who cannot meet their housing needs through diversion efforts will be linked to a navigator within 7 days of a successful contact.
 - a. 100% of persons served were linked to a navigator within 7 business days of a successful contact.

- 7. (Effectiveness) 50% of individual enrolled in the PATH program and HMIS will be linked to temporary or permanent housing.
 - a. 12.8% of persons served (66/515) who were enrolled in PATH/HMIS were linked to temporary or permanent housing.
 - b. Number of persons enrolled in PATH/HMIS linked to temporary or permanent housing; N = 66/515, 12.8%, Target Not Met

- 8. (Efficiency) On average, persons served will have been contacted less than 5 times needed for enrollment in the PATH program and HMIS.
 - a. The average number of contacts to enroll in the PATH program and HMIS system is 1.

DEPARTMENT RECOMMENDATION(S):

Kings View’s outreach team should continue to monitor the availability of new shelter beds, temporary housing, and permanent housing for persons served. The PATH Program Manager and DBH Contract Analyst will discuss any policy changes or availability of new resources that may impact the population served, such as changes to the Coordinated Entry System, increase in shelter beds, new funding, etc. In order to stay apprised, the PATH OEL Team will need to continue its relationship with the County, Fresno Madera Continuum of Care, and community partners.
