Department of Behavioral Health

Welcome to the Fresno County Department of Behavioral Health (FCDBH) Provider Directory.

You can view this directory online here:

<https://www.fresnocountyca.gov/Departments/Behavioral-Health/Care-Services>

FCDBH offers mental health and substance use treatment services for people who live in Fresno County. This directory lists all providers in our network of care.

If you need **Mental Health or Substance Use Disorder Services**, call the **Access Line** at **1-800-654-3937** or **711** for TTY users. Some services may need approval or a referral before you can get them. The Access Line is available **24 hours a day, 7 days a week**.

Free help is available for people with disabilities, including auxiliary aids and services.

Services may be provided by an individual provider or a team working under a licensed professional. Only licensed, waived, or registered mental health providers and licensed substance use disorder providers are listed in this directory.

SUBSTANCE USE DISORDER LEVELS OF CARE

LEVEL OF CARE	DESCRIPTION
Outpatient	Early Intervention Services (EIS 0.5) are available to persons served under 21 who are at risk of developing a substance use disorder (SUD). EIS include components covered under outpatient. Outpatient (1.0) and Intensive Outpatient Treatment (2.1) Services include assessment, care coordination, counseling (individual and group), family therapy, medication services, medications for addiction treatment (MAT) for opioid use disorders, alcohol use disorders and non-opioid SUDs, patient education, recovery services and crisis intervention services.
Residential	Residential Treatment Services are available to persons served with more severe needs as a short-term, in-patient program. Residential Treatment Services include assessment, care coordination, counseling (individual and group), family therapy. Medication services, medications for addiction treatment (MAT) for opioid use disorders, alcohol use disorders and non-opioid substance use disorders (SUDs), patient education, recovery services, and crisis intervention services. A person served admitted to a residential program lives on the premises and shall be supported in their efforts to restore, maintain, and apply interpersonal and independent living skills and access community support systems. The length of stay in a residential treatment program is based on the person served's individual needs as determined by a full assessment.
Withdrawal Management	Withdrawal Management Services focus on stabilization and management of symptoms associated with withdrawal, engagement in care and effective transitions to a level of care where comprehensive treatment services are provided. Withdrawal Management Services are provided in outpatient or residential settings. Withdrawal Management Services include the following service components: assessment, care coordination, medication services, medications for addiction treatment (MAT) for opioid use disorders, alcohol use disorders and non-opioid substance use disorders (SUDs), observation, and recovery services.
Opioid (Narcotic) Treatment Program	Narcotic Treatment Program (NTP) is an outpatient program that provides Food and Drug Administration (FDA)-approved medications and biological products to treat substance use disorders (SUDs) when ordered by a physician as medically necessary. NTPs administer, dispense, or prescribe medications including methadone, buprenorphine (transmucosal and long-acting injectable), naltrexone (oral and long-acting injectable), naloxone and disulfiram. NTP Services include assessment, care coordination, counseling, family therapy, medical psychotherapy, medication services, medications for addiction treatment (MAT) for opioid use disorders, alcohol use disorders and non-opioid SUDs, patient education, recovery services and crisis intervention services.
