SMARTCARE EHR NEW USERS TRAINING - FRONT DESK

Description:

This is a basic SmartCare training for NEW USERS who are newly hired DBH or contracted direct service providers using SmartCare as their full EHR. This training will provide participants with the opportunity to apply CalMHSA's SmartCare training materials and review relevant SmartCare workflows as well as forms related to the life cycle of the person served.

Topics covered during this training will include:

- Navigating SmartCare
- Coverage Information set up
- Error Corrections
- Setting up Appointments
- TADT and Q&A
- Basic troubleshooting of common problems

Registration:

REGISTER NOW through Eventbrite using the link below:

https://SC-FD-120926.eventbrite.com

Pre-training requirement:

Visit the following site and complete Moodle Training Videos applicable to your role:
https://moodle.calmhsalearns.org/login/index.php

- Create a new account, if you do not have a CalMHSA account already. (Please use your work email address for your Username and contact email information)
- Enter Enrollment Code: **03127**

For support, email:

DBHStaffDevelopment@fresnocountyca.gov

County of Fresno DBH SmartCare's website link:
