

THE COUNTY OF FRESNO DEPARTMENT OF BEHAVIORAL HEALTH PRESENTS

SmartCare EHR New Users Training

—Substance Use Disorder (SUD) Residential and Outpatient Providers

Description:

This is a basic SmartCare training for NEW USERS who are newly hired DBH or contracted direct service providers using SmartCare as their full EHR. This training will provide participants the opportunity to apply CalMHSA's SmartCare training materials and review relevant SmartCare workflows as well as forms related to the life cycle of the person served.

Topics covered during this training will include:

- Navigating SmartCare
- Clinical Documents including daily notes
- Error Corrections
- Questions & Answers
