

**Rebuttal to the Argument Against – Measure G
Fowler Unified School District**

Please don't be fooled by the inaccurate information in the opposition argument. They recycle the same distorted data against nearly every education ballot measure in California year after year. They don't live here, send their children to our schools or understand our needs.

Measure G updates aging local schools.

Voting Yes on Measure G provides locally controlled funding to ensure all Fowler students have access to safe and modern educational facilities. Fowler schools were built more than 60 years ago and while some updates have been made, many needs exist at our schools. You can review the full needs assessment of each school on the District website: fowlerusd.org/local-funding.

In fact, the significant upgrades and improvements needed at our older schools are beyond what can be accomplished by the District's regular budget, and the State provides very limited funding for school improvements.

Citizens' oversight ensures proper use of funds.

Citizen oversight and annual independent audits will ensure transparency and accountability. Legally, every penny of Measure G must be spent in Fowler Unified School District schools and cannot be taken away by the State. The project list in the voter pamphlet specifies the use of all funds.

Our schools keep our home values high.

Fowler schools are at the heart of our community. Our local schools protect our quality of life and property values.

Measure G is locally controlled, can't be taken by the State, and is dedicated to our Fowler schools.

Join us – Vote YES on G to support great Fowler schools and students!
