Argument in Favor of Measure __
Kingsburg Joint Union High School District

By FRESNO COUNTY CLERK
DEPUTY

Measure __ is about one thing: Improving the quality of Kingsburg High School. Safe and high-quality schools protect property values. While major improvements were made to the quality of Kingsburg High School over the past few years, the fact remains that our school is old and must be brought up to 21st century standards. This is why our students need your YES vote on Measure __!

Although our high school has been well maintained over the years, it is now time to finish our plan to fully renovate our campus into a sustainable 21st century learning environment. Measure __ would allow the District to improve our school and the quality of education provided to local students. Kingsburg High School was first built over one hundred years ago, meaning that our classrooms and facilities are old and deteriorating. By investing in our high school, we can meet today's safety, technological, and educational standards and better our community.

Without increasing the current tax rate, Measure __ will provide funding to make facility improvements at Kingsburg High School including:

- Replacing outdated heating, ventilation, and air-conditioning systems
- Constructing additional classrooms and school facilities
- Modernizing outdated classrooms, restrooms, and school facilities
- Creating student drop-off and pickup areas for increased safety and better traffic flow
- Improving student access to computers and modern technology

Measure __ makes financial sense and protects taxpayers.

- All funds must be spent locally and **cannot be taken by the State.**
- By law, spending must be reviewed and annually audited by an independent citizens' oversight committee.
- Funds can only be spent to improve our high school, not for teacher or administrator salaries.

Measure __ upgrades and renovates old and inadequate school facilities, improves the education of local children, and maintains the quality of our community. That's something we can all support. Please join us and **VOTE YES ON MEASURE __!**
