**West Hills Community College District
Rebuttal to Argument Against Measure C**

By. **FRESNO COUNTY CLERK**
DEPUTY

It's worth noting that the critics of Measure C don't live in our community or contribute to our local taxes. They are a group of outsiders who think they need to **lecture us** about how we should be spending our own money to update Coalinga College.

While no one likes paying taxes, investing in our community's future is essential. Measure C is vital for providing affordable higher education and job training to the citizens of our community.

Let's prioritize Coalinga College and vote YES on Measure C for our community's future.

Measure C will update Coalinga College by expanding career and technical education facilities in areas like Welding, Heating, Ventilation and Air Conditioning, Heavy Equipment and Agricultural Science. It will also renovate outdated classrooms, facilities, security systems and student housing, helping to retain current students, attract new students and increase enrollment.

Most importantly, every dollar will remain in our community. Under California state law, **Measure C funds cannot be taken by the state and must be spent on Coalinga College.** Full public disclosure, independent oversight, annual audits and no funds for salaries ensure responsible spending.

Investing in education enhances our community's economic stability. Improved training facilities lead to a more skilled workforce, better job opportunities and a more robust local economy.

Let's invest in Coalinga College and our community's future by voting **YES on Measure C!**
