CANDIDATE STATEMENT

- Statements of Qualifications are optional and, unless otherwise determined by the governing body, are printed at the expense of the candidate. Candidates are required to prepay the estimated cost and will either be billed for the additional cost or refunded any overpayment following the election. Estimated costs for Statements of Qualifications are based on the total costs of printing, handling, translating and mailing the candidate's statements, including costs incurred as a result of complying with the Federal Voting Rights Act of 1965. Fresno County is required to print all candidates' statements in English and Spanish. Each candidate filing a statement is required to pay the pro rata share as a condition of having the statement included in the voter's pamphlet portion of the sample ballot. The candidate will be billed after the election when actual costs are known.
- The body of the statement (not including name, age and occupation) shall not exceed 200 words (unless increased to not exceed 400 words by the governing body). Words shall be counted pursuant to Elections Code §9.
- Statements will be printed in uniform type, style and spacing. Paragraphs should be indented and single-spaced, with no line spacing between paragraphs. Extra indentations, italics, graphics, extra punctuation, bold, underlining or bullets of any kind are not permitted. *Note: The County Clerk/Registrar of Voters may need to make adjustments to the candidate statement for space requirements in the sample ballot.*
- The County Clerk/Registrar of Voters is not responsible for making corrections to a candidate's statement; therefore, candidates must carefully check their statements for errors in spelling, punctuation and grammar.
- Provide the candidate statement on a computer disk (CD) in Microsoft WORD format along with a printed paper copy.
- Statements for candidates shall be limited to a recitation of the candidate's own personal background and qualifications, and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities. Statements shall not include the party affiliation of the candidate nor membership or activity in partisan political organizations.
- Statements shall be written in the first person (e.g., "I am running..." not "She is running..." or "Jane Doe is running..."). Each statement shall be accompanied by a declaration executed under penalty of perjury, declaring that the information contained therein is true and correct.
- Statements will be printed in random alphabet order unless repositioned due to space considerations. Statements do not rotate.

FILING INFORMATION

- Statements shall be filed with the county elections official when nomination papers are returned for filing, or in the case of an election for which nomination papers are not required (i.e., run-off election) no later than the 88th day prior to the election.
- Statements shall remain confidential until the expiration of the filing deadline for nomination papers for the office. Statements may be withdrawn, but shall not be changed (except as specifically required by the elections official), until 5 p.m. the next regular business day following the close of nominations for such office.
- Statements are subject to examination and challenge by any voter of the jurisdiction (§13313) for a period of 10 calendar days following the close of filing for each such office.

The governing body of your jurisdiction has determined that statements shall be limited to ~~(200)~~ 400) words: the (candidate) / jurisdiction) shall bear the cost of the statements and payment shall be required prior to the election.

I hereby request that I prepared the following statement for printing and distribution in the Voter Information Pamphlet portion of the Sample Ballot.

DATE: July 12, 2010 CANDIDATE SIGNATURE: David Howell

NAME: David Howell AGE: 32
If left blank will not be printed

OCCUPATION: Attorney
Not subject to the ballot designation limitations - if left blank will not be printed

CITY COUNCIL DISTRICT _____

DAVID HOWELL Age: 32
Occupation: Attorney

200 word statement begins here.

Education and Qualifications: *(STATEMENT / WORD COUNT BEGINS HERE)* I can bring to the office a diversity of viewpoints and experience. Born and raised in the Fresno area with my family still farming, I can appreciate the concerns of the environmentalist. On the other hand, having been in business since my undergraduate days at college and with my experience in the rental and real estate fields, I appreciate the housing requirements of our community. As a recent student, I understand their needs for a variety of housing choices and their frustration with high rental costs. I tend towards moderation and a real balancing of the competing segments of the community. I encourage differing viewpoints rather than the them and us concept.

I advocate a program to protect our neighborhoods from increasing overcrowding and visual blight. I support a shopping center in the city and would insist on a plan to encourage the commercial enterprises that compliment our shopping needs. Our council should actively consider subsidized housing for senior citizens and perhaps others, but with implementation only after voter approval of a specific program.

GUIDELINES FOR PREPARING CANDIDATE'S STATEMENT OF QUALIFICATIONS For Local Nonpartisan Offices

Printed Candidate's Statement ▶ The example below illustrates the candidate's statement as it will be printed in the Voter Information Pamphlet portion of the Sample Ballot. All statements are printed in INDENTED PARAGRAPH STYLE.

CITY COUNCIL DISTRICT	
DAVID HOWELL Occupation: Attorney	Age: 32
<p>Education and Qualifications: I can bring to the office a diversity of viewpoints and experience. Born and raised in the Fresno area with my family still farming, I can appreciate the concerns of the environmentalist. On the other hand, having been in business since my undergraduate days at college and with my experience in the rental and real estate fields, I appreciate the housing requirements of our community. As a recent student, I understand their needs for a variety of housing choices and their frustration with high rental costs. I tend towards moderation and a real balancing of the competing segments of the community. I encourage differing viewpoints rather than the them and us concept.</p> <p>I advocate a program to protect our neighborhoods from increasing overcrowding and visual blight. I support a shopping center in the city and would insist on a plan to encourage the commercial enterprises that compliment our shopping needs. Our council should actively consider subsidized housing for senior citizens and perhaps others, but with implementation only after voter approval of a specific program.</p>

PROCEDURES FOR WRITE-IN CANDIDATES

Filing Period for the November 5, 2013 UDEL Election:
September 09, 2013 – October 22, 2013

Write-In Procedure

Persons who did not file a Declaration of Candidacy and fulfill their nomination requirements to place their name on the ballot may run for office as a write-in candidate. Only qualified write-in candidates who file the required forms with the Elections Department will be counted and certified in the Statement of Vote.

To qualify as a write-in candidate, a person must file the following documents:

1. A Statement of Write-in Candidacy which shall contain the candidate's name, residence address, a declaration stating that he or she is a write-in candidate, the title of the office for which he or she is running, the party nomination they seek (if it is a partisan office) and the date of the election.
2. A Nomination Form with the requisite number of sponsor signatures required for the office.

Signers of nomination papers for write-in candidates must be voters in the district or political subdivision in which the candidate is to be voted on. There is no filing fee or charge for a write-in candidate. (Elections Code §8601-8605)

Write-in candidates are subject to the same requirements as other candidate with regard to disclosure of economic interests and campaign disclosure and must file a Form 700 by the write-in filing deadline. (Government Code §82007; Elections Code §305)

Write-in Candidates do not complete a Candidate Statement of Qualifications for the Sample Ballot Pamphlet and their names do not appear on the ballot.

Additional Requirements for Partisan Offices

A write-in candidate who wins a party Primary will have his or her name placed on the ballot at the November General Election only if the number of write-in votes received equals or exceeds 1% of all votes cast for the office at the last preceding General Election at which the office was filled. (Elections Code §5005, 8605, 15460, 15470, 15480, 15490)

Judicial Write-in Campaign

In any county in which only the incumbent has filed nomination papers for the office of superior court judge, his or her name won't appear on the ballot unless a petition, indicating that there will be a write-in campaign, is filed with the Elections Department. The petition must be submitted within 10 days after the final date for filing nomination papers and must be signed by 100 registered voters who are qualified to vote for the office.

Counting the Write-in Votes

Write-in votes are tallied towards the end of the canvass. There are no results on Election Night for write-in candidates as these must be hand tallied. In order for a write-in vote to be valid, the voter must write the candidate's name in the space provided and complete the oval next to the name. The names of the official write-in candidates are posted at the appropriate polling places and on our website. Vote by mail voters do not receive a list of write-in candidates because the filing period takes place after the ballots have been mailed.

PROVISIONS OF THE CODE OF FAIR CAMPAIGN PRACTICES

As found in Chapter 5 of Division 20 of the California Elections Code

Chapter 5. Fair Campaign Practices

Article 1. General Intent

20400. *The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.*

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

Article 2. Definitions

20420. *As used in this chapter, "Code" means the Code of Fair Campaign Practices.*

Article 3. Code of Fair Campaign Practices

20440. *At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.*

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

20441. *The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to the elections officials in quantities and at times requested by the elections officials.*

20442. *The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election.*

20443. *Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection.*

20444. *In no event shall a candidate for public office be required to subscribe to or endorse the code.*

BALLOT DESIGNATIONS

ELECTION CODES (LAWS)

No title or degree shall appear on the same line on the ballot as candidate's name, either before or after the candidate's name, in the case of any election to any office. (Election Code § 13106)

Election Code §13107

Immediately under the name of each candidate only one of the following designations may appear:

- Words designating the elective city, county, district, state or federal office which the candidate holds at the time of filing the nomination documents to which the candidate was elected, or appointed, in the case of a Superior Court Judge.
- The word "Incumbent" if the candidate for the same office that the candidate holds at the time of filing nomination papers, and was elected to that office, or in the case of a Superior Court Judge, was appointed to that office.
- No more than 3 words designating the current principal professions, vocations, or occupations of the candidate. For purposes of this section, all California geographical names shall be considered to be one word.
- The phrase "appointed incumbent" if the candidate holds an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to the same office, or to some other office, the word "appointed" and the title of the office. In either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed."

The elections official **cannot** accept a designation which:

- Would mislead the voter.
- Would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
- Abbreviates the word "retired" or places it following any word or words that it modifies.
- Uses a word or prefix, such as "former" or "ex" which means a prior status. The only exception is the use of the word "retired." A candidate may not use the word "retired" in his or her ballot designation if that candidate possesses another more recent, intervening principal profession, vocation, or occupation.
- Uses the name of any political party, whether or not it has qualified for the ballot.
- Uses a word or words referring to a racial, religious, or ethnic group.
- Refers to any activity that is prohibited by law.

If upon checking the nomination papers the elections official finds the designation to be in violation of any of the restrictions set forth in this section, the elections official shall notify the candidate by certified mail. The candidate shall, within three days from the date of receipt of the notice, appear before the elections official or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide an alternate designation. In the event the candidate fails to provide an alternate designation, no designation shall appear after the candidate's name.

No designation given by a candidate shall be changed by the candidate after the final date for filing nomination documents, except as requested by the elections official.

 - Statuses: A status is a state, condition, social position or legal relation of the candidate to another person, persons or the community as a whole.  - Ballot designations that refer to any activity prohibited by law are rejected as unacceptable.
 - A candidate may not use the word "retired" in his or her ballot designation if that

A candidate may be asked to submit additional supporting documentation or other evidence to support the proposed ballot designation.

- The candidate shall have the burden of establishing that the proposed ballot designation that he or she has submitted is accurate and complies with all provisions of Elections Code § 13107.

PLACEMENT OF NAMES ON THE BALLOT

The order in which candidates' name shall be placed on the ballot is specified in Elections Code § 13111 and 13112. Election Code § 13109 specifies the order of precedence of offices on the ballot.

Random Alphabet Drawing:

At 11:00 a.m. on the 82nd day before the election, the Secretary of State's office pulls each letter of the alphabet at random according to the procedure specified in Elections Code § 13112 and compiles a randomized alphabet. The County Clerk/Registrar of Voters conducts a random alphabet drawing (Elections Code § 13111) to determine the order of candidates on the ballot for multi-county state legislative districts. The randomized alphabet is used in the same manner as the conventional alphabet in determining the order of all candidates' names in all elections. It is used statewide for the placement of names on the ballot, except as otherwise specified.

Rotation of names on the ballot:

- **Candidates for School Districts, Special Districts:** Candidates are placed on the ballot in the Secretary of State's random order and are not rotated.

CAMPAIGN DISCLOSURE REQUIREMENTS OFTEN OVERLOOKED

BE INFORMED: *The Franchise Tax Board is authorized under Section 90001 of the California Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures.*

The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some often overlooked requirements, some identified in audit reports, are provided here:

- Even unopposed candidates are subject to the campaign disclosure provisions of the Political Reform Act. (Gov. Code §82007)
- Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file Form 501 (candidate intention).
- Contributions include **PERSONAL FUNDS** and are subject to the same disclosure requirements.
- A Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling \$1,000 or more during a calendar year.
- Officeholders and candidates who receive contributions or make expenditures must establish a campaign checking account in California and report it on a Form 410.
- Loans to a candidate are considered contributions unless the loan is from a financial institution.
- Filing fees and candidate statement fees may be paid in cash if the candidate is using personal funds and will not be reimbursed through the committee. (Gov. Code §85200) Otherwise, campaign disclosure laws require that expenditures of \$100 or more be made by written instrument containing the names of both the payee and payer. (§84300)
- Never accept or spend \$100 or more in cash.
- For contributions of \$100 or more, including loans, and in-kind contributions, you must disclose the contributor's name, address, occupation and employer. Contributions of \$100 or more may not be made in the form of a money order or cashier's check. Contributions may continue to be made with a credit card. (Gov. Code §84300)
- Maintain details on contributions and expenditures of \$25 or more, even if you are spending less than \$1,000. Refer to recordkeeping guidelines in Manual 2.
- Make copies of all contributor checks.
- Itemize expenditures of \$500 or more made by an agent or campaign consultant.
- Include your name and campaign address in at least 6-point type on the outside of all mass mailings (more than 200 pieces). Your committee's name may be used if it includes your name. If your name is not part of the committee's name, you may use just your name, or both your name and the name of the committee.
- Candidates must disclose employer information for all contributors and keep all records of occupation and employer information.
- **NO PERSONAL USE OF CAMPAIGN FUNDS.** Use campaign funds only for political, legislative, or governmental purposes.
- The source for each loan must be disclosed.
- All expenditures of \$100 or more must be itemized on the campaign statements, and then summarized on the Campaign Disclosure Statement Summary Page.
- As long as a committee is in existence, a Semi-Annual Campaign Statement must be filed. If the candidate has filed a long form (460) previously in the calendar year, a 460 must be filed as the Semi-Annual Statement even if there is no activity.
- Payee addresses must be disclosed on the campaign statements for expenditures made.
- If the committee changes its treasurer, an amendment to the Form 410 Statement of Organization must be filed.
- If \$1,000 or more is received from one contributor during the last 16 days before the election, disclose receipt within 24 hours, even if the contribution is from your personal funds.

- B. Is placed not sooner than 90 days prior to the schedule election and is removed within 10 days after that election.
- C. Is no larger than 32 square feet.

State law directs the Department of Transportation to remove unauthorized Temporary Political Signs and bill the responsible party for their removal. We are calling these provisions to your attention to avoid possible embarrassment to you and your supporters. Please pass this information along to those assisting in your campaign.
