STATEMENT OF QUALIFICATIONS GENERAL INFORMATION

County of Fresno Sample Ballot Voter Information Pamphlet Portion

CANDIDATE STATEMENT

- Any candidate for local nonpartisan office, US Representative candidates, and State Senate and Assembly legislative candidates who choose to keep their campaign spending under specified dollar limits, may submit a Statement of Qualifications to be printed in the Voter Information Pamphlet portion of the Fresno County Sample Ballot.
- Statements of Qualifications are optional and, unless otherwise determined by the governing body, are printed at the expense of the candidate. Candidates are required to prepay the estimated cost and will either be billed for the additional cost or refunded any overpayment following the election. Estimated costs for Statements of Qualifications are based on the total costs of printing, handling, translating and mailing the candidate's statements, including costs incurred as a result of complying with the Federal Voting Rights Act of 1965. Fresno County is required to print all candidates' statements in English and Spanish. Each candidate filing a statement is required to pay the pro rata share as a condition of having the statement included in the voter's pamphlet portion of the sample ballot. The candidate will be billed after the election when actual costs are known.
- The body of the statement (not including name, age and occupation) shall not exceed 200 or 250 words (Please see beginning of this "Candidate Statement" section for clarification). Words shall be counted pursuant to Elections Code §9.
- Statements will be printed in uniform type, style and spacing. Paragraphs should be indented and single-spaced, with no line spacing between paragraphs. Extra indentations, italics, graphics, extra punctuation, bold, underlining or bullets of any kind are not permitted. *Note: The County Clerk/Registrar of Voters may need to make adjustments to the candidate statement for space requirements in the sample ballot.*
- The County Clerk/Registrar of Voters is not responsible for making corrections to a candidate's statement; therefore, candidates must carefully check their statements for errors in spelling, punctuation and grammar.
- Provide the candidate statement on a computer disk (CD) in Microsoft WORD format. The County

Clerk/Registrar of Voters will print out a copy when you submit your statement to check the word count.

- Statements for candidates shall be limited to a recitation of the candidate's own personal background and qualifications, and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities. Statements shall not include the party affiliation of the candidate nor membership or activity in partisan political organizations.
- Statements shall be written in the first person (e.g., "I am running..." not "She is running..." or "Jane Doe is running..."). Each statement shall be accompanied by a declaration executed under penalty of perjury, declaring that the information contained therein is true and correct.
- Statements will be printed in random order unless repositioned due to space considerations. Statements do not rotate.

FILING INFORMATION

- Statements shall be filed with the county elections official when nomination papers are returned for filing, or in the case of an election for which nomination papers are not required (i.e., run-off election) no later than the 88th day prior to the election.
- Statements shall remain confidential until the expiration of the filing deadline for nomination papers for the office. Statements may be withdrawn, but shall not be changed (except as specifically required by the elections official), until 5 p.m. the next regular business day following the close of nominations for such office.
- Statements are subject to examination and challenge by any voter of the jurisdiction (§13313) for a period of 10 calendar days following the close of filing for each such office.

GUIDELINES FOR PREPARING CANDIDATE'S STATEMENT OF QUALIFICATIONS

PREPARATION OF CANDIDATE'S STATEMENT ▶ Shown below is a reduced facsimile of a Candidate's Statement of Qualifications form. Note that the first paragraph in the upper portion contains information as to the limitations on the number of words and the cost of printing and handling your statement. This portion of the form is to be completed by the officer issuing the form. The statement shown below has been typed, in upper and lower case, indented paragraph form.

NAME: Candidate's name AGE: 32

OCCUPATION: Businesswoman

If either age or occupation is left blank, none will be printed

*Occupation may be more descriptive than ballot designation..
It may not exceed 7 words in length.*

Statements must be typewritten in upper and lower case, with paragraphs clearly marked. Please provide the candidate statement on a computer disk (CD) in Microsoft WORD format (preference is Word 2010, but 2003 version or greater is acceptable). The Elections Department will print out a copy when you submit your statement to check the word count.

Statements submitted in a format other than "indented paragraph" and single-spaced will be reformatted as illustrated above. If age and/or occupation are left blank, none will be printed.

Occupation is not restricted by ballot designation limitations; however, may not exceed 7 words in length.

Printed Candidate's Statement ▶ This example illustrates the candidate's statement as it will be printed in the Voter Information Pamphlet portion of the Sample Ballot. All statements are printed in "indented paragraph" style.

CITY COUNCIL DISTRICT

Candidate's Name

Age: 32

Occupation: Businesswoman

Education and Qualifications: I can bring to the office a diversity of viewpoints and experience. Born and raised in the Fresno area with my family still farming, I can appreciate the concerns of the environmentalist. On the other hand, having been in business since my undergraduate days at college and with my experience in the rental and real estate fields, I appreciate the housing requirements of our community. As a recent student, I understand their needs for a variety of housing choices and their frustration with high rental costs. I tend towards moderation and a real balancing of the competing segments of the community. I encourage differing viewpoints rather than the them and us concept.

I advocate a program to protect our neighborhoods from increasing overcrowding and visual blight. I support a shopping center in the city and would insist on a plan to encourage the commercial enterprises that compliment our shopping needs. Our council should actively consider subsidized housing for senior citizens and perhaps others, but with implementation only after voter approval of a specific program.

Word Count Standards

1. Punctuation is not counted.
2. Each word shall be counted as one word except as specified.
3. All geographical names shall be counted as one word (e.g., "City and County of San Francisco" or "Sierra Unified School District" shall be counted as one word).
4. Each abbreviation for a word, phrase, or expression shall be counted as one word. (e.g., S.R.J.C.).
5. Hyphenated words that appear in any generally available dictionary shall be counted as one word. Each part of all other hyphenated words shall be counted as a separate word.
6. Dates consisting of a combination of words and digits shall be counted as two words (e.g., June 3, 2014). Dates consisting of only digits shall be counted as one word (e.g., 06/04/2014).
7. Digital numbers shall be counted as one word (e.g., 100). Numbers which are written out are counted as one word each (e.g., "one" shall be counted as one word and "one hundred" shall be counted as two words).
8. Telephone numbers shall be counted as one word.
9. Internet web site addresses shall be counted as one word.

STATEMENTS MUST BE WRITTEN IN THE FIRST PERSON (e.g., "I am running ..." not "Jane Doe is running ..." or "He is running ...").

PLEASE PROOFREAD YOUR STATEMENT. This office will not be responsible for the accurate printing of any re-formatted statement, nor will it correct any misspellings or errors in grammar or punctuation. After nominations close each candidate who filed a candidate statement will be mailed a letter giving time in which to come into our office and view the statement for grammatical errors or omissions from the original statement. No other changes can be made.

Not Permitted

- Extra indentations
- Any bold
- Underlining of words
- Italics
- Graphics
- Extra punctuation
- Capitalized words for added emphasis
- Bullets of any kind

PROVISIONS OF THE CODE OF FAIR CAMPAIGN PRACTICES

*As found in Chapter 5 of Division 20 of the
California Elections Code*

ARTICLE 1. General Intent

20400. The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

ARTICLE 2. Definitions

20420. As used in this chapter, “Code” means the Code of Fair Campaign Practices.

ARTICLE 3. Code of Fair Campaign Practices

20440. At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

The text of the code shall read, as follows:

“CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices."

Date	Signature
------	-----------

20441. The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to the elections officials in quantities and at times requested by the elections officials.

20442. The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election.

20443. Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection.

20444. In no event shall a candidate for public office be required to subscribe to or endorse the code.

CAMPAIGN DISCLOSURE REQUIREMENTS OFTEN OVERLOOKED

BE INFORMED: *The Franchise Tax Board is authorized under Section 90001 of the California Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures.*

The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some often overlooked requirements, some identified in audit reports, are provided here:

- Even unopposed candidates are subject to the campaign disclosure provisions of the Political Reform Act. (Gov. Code §82007)
- Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file Form 501 (candidate intention).
- Contributions include **PERSONAL FUNDS** and are subject to the same disclosure requirements.
- A Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling \$1,000.
- Officeholders and candidates who receive contributions or make expenditures must establish a campaign checking account in California and report it on a Form 410.
- Loans to a candidate are considered contributions unless the loan is from a financial institution.
- Filing fees and candidate statement fees may be paid in cash if the candidate is using personal funds and will not be reimbursed through the committee. (Gov. Code §85200) Otherwise, campaign disclosure laws require that expenditures of \$100 or more be made by written instrument containing the names of both the payee and payer. (§84300)
- Never accept or spend \$100 or more in cash.
- For contributions of \$100 or more, including loans, and in-kind contributions, you must disclose the contributor's name, address, occupation and employer. Contributions of \$100 or more may not be made in the form of a money order or cashier's check. Contributions may continue to be made with a credit card. (Gov. Code §84300)
- Maintain details on contributions and expenditures of \$25 or more, even if you are spending less than \$1,000.
- Make copies of all contributor checks.
- Itemize expenditures of \$500 or more made by an agent or campaign consultant.

- Include your name and campaign address in at least 6-point type on the outside of all mass mailings (more than 200 pieces). Your committee's name may be used if it includes your name. If your name is not part of the committee's name, you may use just your name, or both your name and the name of the committee.
- Candidates must disclose employer information for all contributors and keep all records of occupation and employer information.
- **NO PERSONAL USE OF CAMPAIGN FUNDS.** Use campaign funds only for political, legislative, or governmental purposes.
- The source for each loan must be disclosed.
- All expenditures of \$100 or more must be itemized on the campaign statements, and then summarized on the Campaign Disclosure Statement Summary Page.
- As long as a committee is in existence, a Semi-Annual Campaign Statement must be filed. If the candidate has filed a long form (460) previously in the calendar year, a 460 must be filed as the Semi-Annual Statement even if there is no activity.
- Payee addresses must be disclosed on the campaign statements for expenditures made.
- If the committee changes its treasurer, an amendment to the Form 410 Statement of Organization must be filed.
- If \$1,000 or more is received from one contributor during the last 90 days before the election, disclose receipt within 24 hours, even if the contribution is from your personal funds.

BALLOT DESIGNATIONS

ELECTION CODES (LAWS)

No title or degree shall appear on the same line on the ballot as candidate's name, either before or after the candidate's name, in the case of any election to any office.

EC § 13106

Immediately under the name of each candidate only one of the following designations may appear:

- Words designating the elective city, county, district, state or federal office which the candidate holds at the time of filing the nomination documents to which the candidate was elected, or appointed, in the case of a Superior Court Judge.
- The word "Incumbent" if the candidate for the same office that the candidate holds at the time of filing nomination papers, and was elected to that office, or in the case of a Superior Court Judge, was appointed to that office.
- No more than 3 words designating the current principal professions, vocations, or occupations of the candidate. For purposes of this section, all California geographical names shall be considered to be one word.
- The phrase "appointed incumbent" if the candidate holds an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to the same office, or to some other office, the word "appointed" and the title of the office. In either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed."

The elections official **cannot** accept a designation which:

- Would mislead the voter.
- Would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
- Abbreviates the word "retired" or places it following any word or words that it modifies.
- Uses a word or prefix, such as "former" or "ex" which means a prior status. The only exception is the use of the word "retired."
- Uses the name of any political party, whether or not it has qualified for the ballot.
- Uses a word or words referring to a racial, religious, or ethnic group.
- Refers to any activity that is prohibited by law.

If upon checking the nomination papers the elections official finds the designation to be in violation of any of the restrictions set forth in this section, the elections official shall notify the candidate by certified mail.

The candidate shall, within three days from the date of receipt of the notice, appear before the elections official or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide an alternate designation. In the event the candidate fails to provide an alternate designation, no designation shall appear after the candidate's name.

No designation given by a candidate shall be changed by the candidate after the final date for filing nomination documents, except as requested by the elections official.

EC §13107

SECRETARY OF STATE BALLOT DESIGNATION REGULATIONS

General Provisions Summarized (§§20710, 20711, 20713, 20714, 20715, 20716, 20717, 20718)

- The regulatory purpose of this Chapter is to ensure the accurate designation of the candidate upon the ballot in order that an informed electorate may intelligently elect one of the candidates.
- The Secretary of State shall, at all times, apply and interpret the provisions of Elections Code 13107 and the regulations included in this Chapter in a manner consistent with the regulatory purpose of this Chapter.
- Candidates are not required to use a ballot designation pursuant to Elections Code 13107, subdivision (a), and may opt to leave the space for such a designation on the ballot blank.
- In order to facilitate review of a candidate's proposed ballot designation the candidate shall submit, at the time of filing his or her proposed ballot designation on the Declaration of Candidacy, a completed **Ballot Designation Worksheet** on a form provided by the Secretary of State. The Ballot Designation Worksheet shall request that the candidate proposing the ballot designation provide the following information:
 - The candidate's name, home, business and mailing addresses, telephone numbers, email address, if available, and fax number;
 - A designation of the office for which the candidate is seeking election;
 - The proposed ballot designation submitted by the candidate;
 - The candidate may submit one or more proposed alternate ballot designations ranked in order of the candidate's preference;
 - A brief statement identifying the factual basis upon which the candidate claims the proposed ballot designation and each proposed alternate ballot designation, including the following:

Use of elective office designations:

- In the case of candidates holding elective city, county, district, state or federal office, the

candidate's ballot designation shall indicate the elective office, which the candidate currently occupies at the time of filing the nomination documents and may attach a copy of his or her Certificate of Election;

- In the case of judicial officers, the candidate's ballot designation shall be the elective office, which the candidate holds at the time of filing the nomination documents and may attach either a copy of his or her Certificate of Election or a copy of his or her commission or certificate of appointment, issued at the time the candidate was appointed to the judicial office where he or she currently occupies;
- The candidate shall indicate:
 - The title of the position or positions which he or she claims supports the proposed ballot designation;
 - The dates during which the candidate held such position;
 - A description of the work he or she performs in the position;
 - The name of the candidate's business or employer;
 - The name and telephone number of a person or persons who could verify such information; and
 - A statement that the professions, vocations or occupations relied upon to support the proposed ballot designation constitute the primary, main or leading professions, vocations or occupations of the candidate, in accordance with the definition of the term "principal" as set forth at § 20714, subdivision (b).
- Proposed ballot designations indicating that the candidate is a member of the state or county central committee of a political party, or an officer of a state or county central committee of a political party, are improper, as such positions do not constitute Elective County or state offices.

Use of the term "Incumbent"

- The term "incumbent" must be used as a noun. It shall not be used in conjunction with any other words, including any accompanying adjective or modifiers, and must stand alone.

Definitions of "profession," "vocation," or "occupation:"

- "Profession" means a field of employment requiring special education or skill and requiring knowledge of a particular discipline. The labor and skill involved in a profession is predominantly mental or intellectual, rather than physical or manual. Recognized professions generally include, but are not limited to, law, medicine, education,

engineering, accounting, and journalism. Examples of an acceptable designation of a “profession,” as defined in Elections Code § 13107 include but are not limited to, “attorney,” “physician,” “accountant,” “architect,” and “teacher.”

- “Vocation” means a trade, a religious calling, or the work upon which a person, in most but not all cases, relies for his or her livelihood and spends a major portion of his or her time. As defined, vocations may include, but are not limited to, religious ministry, child rearing, homemaking, elderly and dependent care, and engaging in trades such as carpentry, cabinetmaking, plumbing, and the like. Examples of an acceptable designation of a “vocation” as defined in Elections Code § 13107 include but are not limited to, “minister,” “priest,” “mother,” “father,” “homemaker,” “dependent care provider,” “carpenter,” “plumber,” “electrician,” and “cabinetmaker.”
- “Occupation” means the employment in which one regularly engages or follows as the means of making a livelihood. Examples of an acceptable designation of an “occupation,” as defined in Elections Code § 13107 include but are not limited to “rancher,” “restaurateur,” “retail salesperson,” “manual laborer,” “construction worker,” “computer manufacturing executive,” military pilot,” “secretary,” and “police officer.”

“Principal,” as that term is used in Elections Code § 13107:

- A substantial involvement of time and effort such that the activity is one of the primary, main or leading professional, vocational or occupational endeavors of the candidate. The term “principal” precludes any activity, which does not entail a significant involvement on the part of the candidate. Involvement, which is only nominal in character, does not meet the requirements of the statute.
- If a candidate is licensed by the State of California to engage in a profession, vocation or occupation, the candidate is entitled to consider it one of his or her “principal” professions, vocations or occupations if the candidate has maintained his or her license current as of the date he or she filed his or her nomination documents and the status of the candidate’s license is active at the time he or she filed his or her nomination documents.

The candidate’s ballot designation shall be limited to not more than 3 words. The following rules shall govern the application of the three-word limitation.

- The proposed ballot designation shall be grammatically correct, generic, and all words must be spelled correctly.
- Punctuation shall be limited to the use of a comma (Example: District Attorney, Los Angeles County) and a slash (Example: Legislator/Rancher/Physician). A hyphen may be

used if, and only if, the use of a hyphen is called for in the spelling of a word as it appears in a standard reference dictionary of the English language.

- All California geographical names shall be considered to be one word and shall be limited to the names of cities, counties and states. The names of special districts and political subdivisions are not “geographical names,” as the term is used in Elections Code § 13107. If the candidate desires, the geographical name may be used in the form of “City of.....,” “County of,” or “City and County of” Examples of geographical names considered to be one word include Fresno County, Los Angeles County and County of Fresno. Examples of designations containing a special district or political subdivision that are not geographical names include “Butte county Rural Fire District Captain,” “Huntington Beach Unified School District President,” and “South Bay Irrigation District Director.”
- An acronym shall be counted as one word.
- A candidate who chooses to include the name of his or her elective office with another profession, vocation, or occupation may do so pursuant to Elections Code section 13107(a)(3), but that ballot designation shall be limited to no more than three words. Examples of **acceptable** designations under this section include “State Senator/Rancher,” “California Assemblywoman/Attorney, and “County Supervisor/Teacher.” Examples of **unacceptable** designations under this section include “Assemblyman, 57th District/Educator,” “California State Senator/Architect,” and Fresno County Supervisor/Business Owner.”
- “Community Volunteer” means a person who engages in an activity or performs a service for or on behalf of, without profiting monetarily, one or more of the following:
 - A charitable, educational, or religious organization as defined by the U.S. IRS Code section 501 (c)(3);
 - A governmental agency; or
 - An educational institution.

The activity or service must constitute substantial involvement of the candidate’s time and effort such that the activity or service is the sole, primary, main or leading professional, vocational or occupational endeavor of the candidate.

Unacceptable Ballot Designations.

- The following types of activities are distinguished from professions, vocations and occupations and are not acceptable as ballot designations pursuant to Elections Code § 13107:
 - Avocations: An avocation is a casual or occasional activity, diversion or hobby

pursued principally for enjoyment and in addition to the candidate's principal profession, vocation or occupation. Avocations may include, but are not limited to, hobbies, social activities, volunteer work (except as noted for "Community Volunteer" above), and matters pursued as an amateur.

- Pro Forma Professions, Vocations and Occupations: Pro forma professions, vocations or occupations are positions held by the candidate which consume little or none of the candidate's time and which, by their nature, are voluntary or for which the candidate is not compensated (except as noted for "Community Volunteer" above). Pro forma professions, vocations and occupations may include, but are not limited to, such pursuits as honorary peace officer, volunteer firefighter, honorary chairperson, honorary professor, goodwill ambassador, official host or hostess and the like.
- Status: A status is a state, condition, social position or legal relation of the candidate to another person, persons or the community as a whole. A status is generic in nature and generally fails to identify with any particular specificity the manner by which the candidate earns his or her livelihood or spends the substantial majority of his or her time. Examples of a status include, but are not limited to veteran, proponent, reformer, scholar, founder, philosopher, philanthropist, activist, patriot, taxpayer, concerned citizen, husband, wife, and the like.
- A ballot designation may not comprise or include commercial identification information, such as a trademark, service mark, trade name, or the specific name of a business, partnership, corporation, company, foundation, or organization. Examples of an improper use of commercial identification information include, but are not limited to, "Acme Company President," "Universal Widget Inventor," "Director, Smith Foundation," "UCLA Professor," and the like.
- A ballot designation which would suggest an evaluation of the candidate's qualifications, honesty, integrity, leadership abilities or character will be rejected as unacceptable. Any laudatory or derogatory adjectives, which would suggest an evaluation of the candidate's qualifications, shall not be permitted. Such impermissible adjectives include, but are not limited to, "senior," "emeritus", "specialist," "magnate," "outstanding," "leading," "expert," "virtuous," "eminent," "best," "exalted," "prominent," "famous," "respected," "honored," "honest," "dishonest," "corrupt," "lazy," and the like.
- The use of the word "retired" in a ballot designation is generally limited for use by individuals who have permanently given up their chosen principal profession,

vocation or occupation.

- It is unacceptable to use the name of any political party in ballot designation.
- It is unacceptable to use a word referring to a racial, religious or ethnic group.
- If the candidate is a member of the clergy, the candidate may not make reference to his or her specific denomination. However, the candidate may use his or her clerical title as a ballot designation (Example: “Rabbi,” “Pastor,” “Minister,” “Priest,” “Bishop,” “Deacon,” “Monk,” “Nun,” “Imam,” etc.)
- Ballot designations that refer to any activity prohibited by law are rejected as unacceptable.
- A candidate may not use the word “retired” in his or her ballot designation if that candidate possesses another more recent, intervening principal profession, vocation, or occupation.

A candidate may be asked to submit additional supporting documentation or other evidence to support the proposed ballot designation.

- The candidate shall have the burden of establishing that the proposed ballot designation that he or she has submitted is accurate and complies with all provisions of Elections Code § 13107.

PLACEMENT OF NAMES ON THE BALLOT

The order in which candidates' name shall be placed on the ballot is specified in Elections Code § 13111 and 13112. Election Code § 13109 specifies the order of precedence of offices on the ballot.

Random Alphabet Drawing

At 11:00 a.m. on the 82nd day before the election, the Secretary of State's office pulls each letter of the alphabet at random according to the procedure specified in Elections Code §13112 and compiles a randomized alphabet. The County Clerk/Registrar of Voters conducts a random alphabet drawing (Elections Code § 13111) to determine the order of candidates on the ballot for multi-county state legislative districts. The randomized alphabet is used in the same manner as the conventional alphabet in determining the order of all candidates' names in all elections. It is used statewide for the placement of names on the ballot, except as otherwise specified.

Rotation of names on the ballot

- **Candidates for Statewide Offices:** Candidates for offices voted on throughout the state are placed on the ballot in the random order in the First State Assembly District. In the next district the candidates listed first move to the bottom of the list and all other candidates move up one position. This rotation continues through all 80 State Assembly Districts.
- **Candidates for Congress:** Candidates are placed on the ballot in the random order in the lowest numbered State Assembly District within the Congressional District. The candidate's names are rotated in the same way as described above but only by the State Assembly Districts within the Congressional or State Board of Equalization District.
- **Candidates for Countywide Offices:** Candidates for countywide offices are placed on the ballot in random order and rotated by Supervisorial Districts within the county.
- **Candidates for State Senate and Member of the Assembly in Districts that cross county lines:** Candidates are placed on the ballot in a random order drawn by the County Clerk/Registrar of Voters within each County.
- **Candidates for other offices:** Candidates are placed on the ballot in the Secretary of State's random order and are not rotated.
