CANDIDATE FILING DEADLINE COMPLETED FOR JUNE 5, 2018 PRIMARY ELECTION

One statewide race has been extended due to the incumbent not filing

Fresno, CA — Fresno County Clerk Brandi Orth has announced the close of candidate filing for the June 5, 2018, primary election. The official close was Friday, March 9th at 5:00 PM. However, since the incumbent State Treasurer did not file for re-election, this race only is extended to Wednesday, March 14, 2018, at 5:00 PM.

Upon the closing of filing, Clerk Orth said, "We are looking forward to another efficient Fresno County election. I encourage all voters to check their registration with our one-stop online process at www.fresnovote.com, where a variety of useful information can be found, including the address where a voter is registered, the voter's political party, and if the voter is a permanent vote by mail voter, meaning the voter's ballot will automatically be mailed to the voter prior to each election." She continued, "I urge anyone with a question, a comment or a request for assistance to contact our office. We can be reached via phone at (559) 600-VOTE (8683) or by email at clerk-elections@co.fresno.ca.us and we are always happy to help."

For those wishing to register to vote in advance of the June 5th primary, the California Secretary of State offers online voter registration at www.registertovote.ca.gov.
