**Yes on Measure P
Argument In Favor**

E

DEPUTY

Join us in supporting Measure P, which will fix and maintain Fresno's parks and provide clean, safe parks in neighborhoods across the city.

Fresno's parks are rundown, deteriorated and unsafe. Parks in many neighborhoods are too old and worn down to use.

Measure P provides guaranteed, local funding for Fresno's parks, trails, and recreational programs that cannot be taken by the state or federal government for any reason.

Investing in our parks and recreation programs will help create a healthy community by bringing our parks and recreation centers up to current health and safety standards, giving residents safe places to play and exercise.

Measure P helps ensure all neighborhoods have updated, usable parks by:

- Reducing crime, graffiti and homelessness in parks
- Maintaining, repairing and improving existing parks, trails and facilities
- Updating and maintaining park restrooms
- Bringing parks and recreation centers up to current health and safety standards
- Creating new parks and trails where they are needed most
- Providing job training for at-risk youth and veterans
- Supporting afterschool and youth and senior recreational programs
- Improving accessibility for persons with disabilities
- Funding community service officers and park rangers to patrol parks
- Supporting arts programming and education
- Updating and maintaining playground and sports facilities
- Landscaping and removing weeds and litter along local roads and freeways

Measure P includes strict fiscal accountability measures and citizen oversight, so funds raised will only be spent on the intended purposes, and will stay local.

This measure is a good investment for Fresno. Maintaining quality parks and landscaping will increase our local property values and maintain our community as a desirable place to live, work, and raise a family.

Join us in voting Yes on P.
