Argument in Favor of Measure H

Parlier Unified School District

By_

.ERK

DEPUTY

Our students need your Yes vote on Measure H! Parlier schools are the most important assets in our community and should be our number one priority. Quality schools improve student achievement, increase property values, prepare students for a productive future, and create greater neighborhood safety. Our teachers and staff do a great job educating local children, but many classrooms and buildings in the Parlier Unified School District are outdated and inadequate to provide children with the school facilities they need to succeed.

Parlier Unified School District has served our community well for over 140 years. However, our schools have grown old and are overdue for repairs. Much was done with the funds from our successful 2014 school improvement measure, including improving student access to computers and modern technology, but more work is needed. Your YES vote on Measure H will ensure a safe, clean, and modern learning environment for children for decades to come.

Measure H will provide funding to make critical facility improvements at local Parlier schools by:

- Repairing or replacing leaky roofs
- Making health, safety and handicapped accessibility improvements
- Replacing deteriorating plumbing and sewer systems
- ^{Constructing} Building/modernizing/renovating ^{of} outdated classrooms, restrooms and school facilities
- Upgrading P.E. fields and facilities for school and community use

Measure H makes financial sense and protects taxpayers.

- All funds must be spent locally and **cannot be taken by the State.**
- By law, spending must be reviewed and annually audited by an independent citizens' oversight committee.
- Funds can only be spent to improve our schools, not for teacher or administrator salaries.

Whether or not you have school-age children, protecting our local, high quality education is a wise investment for your property values and a strong community.

VOTE YES on Measure H!

The undersigned proponent(s) or author(s) of the PRIMARY argument IN FAVOR OF ballot MEASURE H at the GENERAL election for the PARIER UNIFIED SCHOOL DISTRICT to be held on NOVEMBER 6, 2018. hereby state that such argument is true and correct to the best of THEIR knowledge and belief.
