**Rebuttal to Argument Against Measure H  
Parlier Unified School District**

E

Measure H funds will go right where they're needed—to improve classrooms and support Parlier students.

Don't let the solitary opponent mislead you. He doesn't have the facts, doesn't live in our community. Generic examples against bonds from someone living in Los Angeles County do not address local issues or solve local problems.

Measure H is a carefully considered, affordable plan that will allow the District to continue providing a quality education and the best learning environment for local children.

Here are the facts:

- Measure H is locally controlled and every dollar stays here, benefitting local schools, children, and property values.
- Fund from 2014's Measure P went to construct a cafeteria/multi-purpose room as well as improve other facilities. We must finish the job we started and bring all remaining classrooms and facilities up to 21<sup>st</sup> century standards.
- No oversight laws have been violated, as our opponent has falsely claimed.
- No local taxpayer groups oppose Measure H.
- No other source of funding exists to renovate/construct schools.

To protect excellent local schools and ensure students have safe and up-to-date classrooms, vote YES on H. Measure H is the only solution for our schools. The longer we wait, the more expensive these improvements will become.

Many of Parlier's most respected community members support Measure H. Let's trust them and not listen to the incorrect statements from an outsider.

Our students deserve a quality education. Join us - vote YES on H.
