Argument in Favor  
Clovis Unified School District

By \_\_\_\_\_  
FRESNO COUNTY CLERK  
DEPUTY

2019 NOV 22 AM 9:59:34

Vote YES on \_\_\_ to support 21st-century education and safe classrooms for our local students.

Clovis Unified School District is consistently ranked as one of the best school districts in the state and provides an exceptional education for our community's elementary, middle and high school students.

However, 30 of our 50 schools are over 25 years old and need basic repairs and upgrades. Although some updates to schools have been made, we need Measure \_\_\_ for the next phase of improvements and continue to bring ALL of our schools up to today's standards.

Measure \_\_\_ will provide locally controlled funding to update labs, academic technology and career-training classrooms to keep up with the demand for science, technology, engineering and math instruction. Measure \_\_\_ will also make essential repairs and upgrade aging schools to keep schools safe, clean and up to date.

Measure \_\_\_ ensures every child equal access to high quality facilities.

Vote YES on \_\_\_ to:

- Repair aging roofs, electrical wiring, fire safety doors and smoke alarms at schools
- Upgrade and repair deteriorating science, engineering and math classrooms
- Update classrooms to increase access to Career Technical Education programs
- Continue to update facilities to provide safe, clean drinking water
- Reduce current and future school overcrowding with additional schools and facilities
- Improve school safety and security

A Clear System of Fiscal Accountability:

- Every dollar is locally controlled and stays right here in our community
- No funds can be taken away by Sacramento
- Independent citizen oversight and annual audits ensure funds are spent as promised
- No Measure \_\_\_ funds can be used for administrator salaries

High quality schools protect home values, even if you don't have school-aged children.

Great communities build great schools. Join parents, teachers, seniors, business owners and community leaders in voting YES on \_\_\_!
