**IMPARTIAL ANALYSIS
CUTLER-OROSI JOINT UNIFIED SCHOOL DISTRICT
SPECIAL TAX MEASURE**

**TULARE COUNTY
REGISTRAR OF VOTERS**

The governing board of the Cutler-Orosi Joint Unified School District has placed this special tax measure on the ballot.

If this measure is approved, the District will be authorized to levy a qualified special tax, pursuant to Government Code section 50079 and section 4 of Article XIII A of the California Constitution, in the amount of thirty-eight dollars (\$38.00) per parcel (adjusted annually by the California Consumer Price Index, calculated by the state Department of Industrial Relations), on all nonexempt parcels of real property within the District's boundaries. The stated purposes of the special tax are to raise money for the operational costs of the District's sports complexes and to establish recreation programs for the youth within the District.

If this measure is approved, the District must satisfy the accountability and reporting requirements of sections 50075.1 and 50075.3 of the Government Code. The proceeds from the special tax will be placed in a separate account, and may only be applied to the specific purposes set out in the full text of the ballot measure. The tax will continue until the District governing board determines to terminate the levy.

This measure makes no change to existing law. The electors entitled to vote on this measure are the registered voters within the boundaries of the District. If the measure is not approved by at least two-thirds of the voters casting votes on the measure, the measure will fail and the qualified special tax will not be levied.

A "yes" vote on this measure means that the taxes on each non-exempt parcel in the District will go up by \$38 per year, plus inflation, in order to fund the stated purposes of the tax.

A "no" vote on this measure means that the taxes on each non-exempt parcel in the District will not be affected by this measure, and the stated purposes will not receive funding.
