Argument in Favor of Measure __

Parlier Unified School District

Bj

DEPOY

Everyone knows the importance and value of having quality schools. From higher achieving students, to greater neighborhood safety, to increased home values, quality schools make a difference. While our teachers and staff do their best in educating our children, many classrooms and school facilities at the Parlier Unified School District are outdated and inadequate to provide students with the facilities they need to succeed. This is why our children need your YES vote on Measure __!

Parlier Unified School District has served our community well for over 140 years. However, our schools have grown old and are overdue for repairs. Work is being done with the funds from our successful 2018 school improvement measure, including making health, safety and handicapped accessibility improvements, but more work is needed to improve facilities and help reduce student overcrowding. Your YES vote on Measure __ will ensure a safe, clean, and modern learning environment for children for decades to come.

Measure __ will provide funding to make critical facility improvements at local Parlier schools by:

- Modernizing and renovating outdated classrooms, restrooms and school facilities
- Constructing new facilities to reduce student overcrowding
- Repairing or replacing outdated heating, ventilation and air-conditioning systems
- Repairing or replacing leaky roofs; and
- Replacing temporary portables with permanent classrooms

Measure __ makes financial sense and protects taxpayers.

- All funds must be spent locally and cannot be taken by the State.
- By law, spending must be reviewed and annually audited by an independent citizens' oversight committee.
- Funds can only be spent to improve our schools, not for teacher or administrator salaries.

Whether or not you have school-age children, protecting our local, high quality education is a wise investment for your property values and a strong community. VOTE YES on Measure __!
