**Argument in Favor of Measure __
Kingsburg Joint Union High School District**

Measure __ is about one thing: Improving the quality of Kingsburg High School. **Without increasing the current tax rate, Measure __** will help create safe, quality schools, and further protect property values. While we have made significant improvements in the quality of Kingsburg High over the past few years, the fact remains that our community's school is old and must be brought up to 21st century standards. This is why our students need your YES vote on Measure ____!

It is now time to finish our plan to fully renovate our campus to a sustainable 21st Century learning environment. A YES on Measure ____ invests in our high school, our students and our community!

Without increasing the current tax rate, Measure __ will provide funding to make facility improvements at Kingsburg High School including:

- Modernizing outdated classrooms, restrooms and school facilities
- Repairing/replacing leaky roofs
- Improving student access to computers and modern technology
- Making health, safety and handicapped accessibility improvements; and
- Improving energy-efficiency by installing solar panels

Measure __ makes financial sense and protects taxpayers.

- All funds must be spent locally and **cannot be taken by the State.**
- By law, spending must be reviewed and annually audited by an independent citizens' oversight committee.
- Funds can only be spent to improve our high school, not for teacher or administrator salaries.

Measure __ upgrades and renovates old and inadequate school facilities, improves the education of local children, and maintains the quality of our community. That's something we can all support. Please join us and VOTE YES ON MEASURE __!
