

Argument in Favor of Measure \_

Vote YES on Measure \_!

Our local public schools are among our community's most valuable investments. Measure \_ will allow the Central Unified School District to continue improving the quality of our local public schools while at the same time providing significant taxpayer protections.

Measure \_ will improve our local schools by:

- Replacing outdated heating and air conditioning systems
- Upgrading outdated electrical wiring and plumbing
- Renovating and modernizing aging classrooms
- Completing the new high school
- Replacing portable classrooms with permanent buildings
- Constructing a new elementary school to eliminate overcrowding
- Updating facilities to meet handicap accessibility requirements

Measure \_ will protect taxpayers by:

- Making our local school projects eligible for State matching funds
- Requiring annual audits and independent citizen oversight of the funds
- Prohibiting funds from going to administrators' salaries, pensions or benefits
- Prohibiting the State from taking the funds and spending them in other districts

Vote YES to ensure our students have the equipment and facilities necessary to meet the challenges of today's rapidly changing world.

Vote YES to provide the kinds of schools that increase property values and home prices.

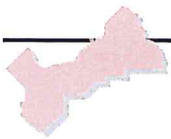

Vote YES to protect taxpayers with independent financial audits.

To build better and safer schools, improve student achievement and protect your property values, please join business leaders, teachers, parents, grandparents and neighbors in voting YES on Measure \_.

Say YES to Central schools. Say YES to Measure \_.
