SELECTING A BALLOT DESIGNATION

On the Declaration of Candidacy or Nomination Papers you will be given the opportunity to indicate your ballot designation. However, a candidate is not permitted to use a ballot designation until after they complete a Ballot Designation Worksheet. See the Ballot Designation Worksheet at the end of this section.

Ballot Designation Worksheet

On the Ballot Designation Worksheet, you will need to provide information such as:

- Name and the office which you are seeking election
- Your contact information such as home, business and mailing addresses, telephone numbers, email address, if available, and fax number. Please note that this worksheet will be considered public information
- Your proposed ballot designation
- A statement identifying the factual basis supporting your choice.
- Further information describing this designation, such as:
 - The dates during which the candidate held such position
 - A description of the work he or she performs in the position
 - The name of the candidate's business or employer

- A statement that the professions, vocations or occupations relied upon to support the proposed ballot designation constitute the primary, main or leading professions, vocations or occupations of the candidate, in accordance with the definition of the term “principal” as set forth at §20714, subdivision (b) of the California Code of Regulations.

The entire form **must be completed**, or it will **not** be accepted, and you will not be entitled to a ballot designation. The candidate shall have the burden of establishing that the proposed ballot designation that he or she has submitted is accurate and complies with the law. A candidate may also be asked for copies of documentation supporting your choice. The worksheet and the supporting documents will become public record once filed.

E.C. §13107.3, C.C.R. §20711

Elections Official Review

Once the Ballot Designation Worksheet is filed, the Elections Official will review if the chosen ballot designation complies with all provisions of Elections Code §13107 and CCR §20710. A candidate may be asked to submit additional supporting documentation or other evidence to support the proposed ballot designation.

If Ballot Designation is Not Accepted

If it is found the designation is unacceptable, the Elections Official will notify the candidate by phone, and registered or certified mail return receipt requested, addressed to the mailing address provided on the candidate's Ballot Designation Worksheet.

E.C. §13107(f)

The Candidate shall, within 3 business days from the date the candidate receives notice by phone, or by registered or certified mail, or from the date the candidate receives actual notice of the violation, whichever occurs first, the candidate must come into the County Elections office and provide a designation that is acceptable.

E.C. §13107(f)(1)

Note: If the candidate fails to provide a new designation within this three-day period, a designation shall not appear after the candidate's name.

E.C. §13107(f)(2)

No ballot designation can be changed after the final date of filing unless specifically requested by the Elections Official.

E.C. §13107(g)(2)

GENERAL GUIDELINES FOR ACCEPTABLE BALLOT DESIGNATIONS

There are general guidelines specified by law regarding what can be used as a ballot designation.

Elected Office

Words designating the elective city, county, district, state or federal office which the candidate holds at the time of filing the nomination documents to which the candidate was elected, or appointed, in the case of a Superior Court Judge.

NOTE: There shall be no word count limitation applicable to ballot designations submitted for an applicable title of an Elected Office.

Using the Word “Incumbent”

A candidate may use the word “Incumbent” if they are a candidate for the same office which he or she holds at the time of filing the nomination documents to which he or she was elected by vote of the people, or in case of a superior court judge, was appointed to the office.

NOTE: Proposed ballot designations as “incumbent” indicating that the candidate is a member of the state or county central committee of a political party, or an officer of a state or county central committee of a political party, are improper, as such positions do not constitute elective county or state offices.

C.C.R. §20712(e)

If Appointed To an Elective Office

The phrase “appointed” must be used if the candidate:

- Wishes to use the word “incumbent” and they hold an office other than a judicial office by virtue of appointment, and the candidate is a candidate for election to that same office.
- Or is a candidate to some other office, and they wish to use the title of the current office they hold by virtue of appointment.

In either instance, the candidate may not use the unmodified word “incumbent” or any words designating the office unmodified by the word “appointed.” However, the word “appointed” shall not be required of a candidate who seeks re-election to an office which he or she was appointed, as a nominated candidate, in lieu of an election.

Only 3 Words Allowed

No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word.

The following rules shall govern the application of the three-word limitation:

- The proposed ballot designation shall be grammatically correct, generic, and all words must be spelled correctly.

- Punctuation shall be limited to the use of:
 - A comma – A comma is followed by a modifier of the word prior.
Example: District Attorney, Los Angeles County
 - A slash – A slash is used to separate two distinct designations
Example: Legislator/Rancher/Physician
 - A hyphen may be used if, and only if, the use of a hyphen is called for in the spelling of a word as it appears in a standard reference dictionary of the English language.
Examples of acceptable hyphenated words: sugar-free, user-generated, ice-skate (verb)

- Using “Councilmember” (one word) vs. “Council Member” (two words) will depend on how the word is used by the governing body of the office for which the candidate is seeking election.

- All California geographical names shall be considered to be one word and shall be limited to the names of cities, counties and states.

The names of special districts and political subdivisions are not “geographical names”. If the candidate desires, the geographical name may be used in the form of “City of....,” “County of,” or “City and County of

Examples of geographical names considered to be one word include:

- Fresno County
- City of Clovis
- County of Fresno

Examples of designations containing a special district or political subdivision that are not geographical names include:

- Butte County Rural Fire District Captain
 - Huntington Beach Unified School District President
 - South Bay Irrigation District Director
- An acronym shall be counted as one word.
 - A candidate who chooses to include the name of his or her elective office with another profession, vocation, or occupation may do so, but that the total ballot designation shall be limited to no more than three words.

Examples of acceptable designations under this section include:

- State Senator/Rancher
- California Assemblywoman/Attorney
- County Supervisor/Teacher

Examples of unacceptable designations under this section include:

- Assemblyman, 57th District/Educator
 - California State Senator/Architect
 - Fresno County Supervisor/Business Owner
- “Community Volunteer” means a person who engages in an activity or performs a service for or on behalf of, without profiting monetarily, one or more of the following:
 - A charitable, educational, or religious organization as defined by the U.S. IRS Code section 501 (c)(3);
 - A governmental agency; or
 - An educational institution.

The activity or service must constitute substantial involvement of the candidate’s time and effort such that the activity or service is the sole, primary, main or leading professional, vocational or occupational endeavor of the candidate.

GENERAL DEFINITIONS

Incumbent

The term “incumbent” must be used as a noun. It shall not be used in conjunction with any other words, including any accompanying adjective or modifiers, and must stand alone (except when using “Appointed Incumbent”, see page 27).

Profession

This means a field of employment requiring special education or skill and requiring knowledge of a particular discipline. The labor and skill involved in a profession is predominantly mental or intellectual, rather than physical or manual. Recognized professions generally include, but are not limited to, law, medicine, education, engineering, accounting, and journalism.

Examples of an acceptable designation of a “profession,” include:

- Attorney
- Physician
- Accountant
- Architect
- Teacher

Vocation

This means a trade, a religious calling, or the work upon which a person, in most but not all cases, relies for his or her livelihood and spends a major portion of his or her time.

Principal

This means a substantial involvement of time and effort such that the activity is one of the primary, main or leading professional, vocational or occupational endeavors of the candidate.

In the event the candidate does not have a current principal profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate may use a ballot designation consisting of one which the candidate was principally engaged in during the calendar year immediately preceding the filing of the candidate's nomination papers.

The term “principal” precludes any activity which does not entail a significant involvement on the part of the candidate. Involvement, which is only nominal in character, does not meet the requirements of the statute.

If a candidate is licensed by the State of California to engage in a profession, vocation or occupation, the candidate is entitled to consider it one of his or her “principal” professions, vocations or occupations if the candidate has maintained his or her license current as of the date, and the status of the candidate’s license is active at the time he or she filed his or her nomination documents.

GENERAL GUIDELINES FOR UNACCEPTABLE BALLOT DESIGNATIONS

The following types of activities are distinguished from professions, vocations and occupations and are not acceptable as ballot designations:

Avocations

An avocation is a casual or occasional activity, diversion or hobby pursued principally for enjoyment and in addition to the candidate's principal profession, vocation or occupation.

Avocations categories which are unacceptable may include:

Status

A status is a state, condition, social position or legal relation of the candidate to another person, persons or the community as a whole. Examples of an improper use of commercial identification information include:

- Acme Company President
- Universal Widget Inventor

Limitations on the Use of Words Designating a Former Position

A word or prefix, such as “former” or “ex” which means a prior status is not allowed.

The only exception is the use of the word “retired.” However, the use of the word “retired” in a ballot designation is generally limited for use by individuals who have permanently given up their chosen principal profession, vocation or occupation.

A candidate may not use the word “retired” in his or her ballot designation if that candidate possesses another more recent, intervening principal profession, vocation, or occupation.

The word “Retired” cannot be abbreviated or placed following any word or words that it modifies.

Name of a Political Party

It is unacceptable to use the name of any political party in ballot designation, whether or not it has qualified for the ballot.

CANDIDATE STATEMENT

A Candidate Statement is information, provided by the candidate, concerning his or her education and qualifications. This is optional for the candidate. If provided, it will be printed in the Voter's Pamphlet section of the Fresno County Voter Information Guide. If a candidate chooses not to file a statement, they must sign a declaration stating this.

Any candidate for local nonpartisan office may submit a Candidate Statement to be printed in the Voter's Pamphlet portion of the Fresno County Voter Information Guide. U.S. Representative candidates and State Senate and Assembly legislative candidates who choose to keep their campaign spending under specific dollar limits may submit a Candidate Statement.

A Candidate Statement with payment is due at the time Nomination Signatures are filed. If no nomination signatures are required, it is due by the close of candidate filing.

GENERAL PROCEDURE

If a candidate wishes to submit a candidate statement, they must adhere to the following procedure:

1. **Provide an electronic copy of the statement to the County Clerk/Registrar of Voters**

A candidate statement must be provided electronically by the candidate to our office prior to the candidate filing their Nomination Signatures. This should be done by EMAIL, sending the document to clerk-elections@fresnocountyca.gov. The candidate statement should be in Microsoft WORD format. Hand written statements or hand written edits to statements will not be accepted.

2. **Counting Words**

Once the candidate is in the office and ready to file the candidate statement, the County Clerk/Registrar of Voters will print out a copy of the document received. They will then perform a word count (see the "Word Count" section in the guide). If the word count is above the maximum allowed, the statement will not be accepted as filed. The maximum allowed for U.S. Representative candidates and State Office candidates who choose to keep their campaign spending under a specified limit, is 250 words. All other candidates have limit of 200 words.

3. Pay the Cost Estimate

If the candidate statement submitted is below or meets the maximum word count, the candidate must pay the cost estimate at the time the candidate statement is submitted. The check should be made out to Fresno County Clerk.

Candidate statements are printed at the expense of the candidate. Candidates are required to prepay the estimated cost and will either be billed for the additional cost or refunded any overpayment after the election when actual costs are known. In the event of underpayment, candidates may be required to pay the balance of the cost incurred by the County, billed after the election. In the event of overpayment, Fresno County shall prorate the excess amount among the candidates for each race and refund the excess amount paid within 30 days of the election.

Estimated costs for candidate statements are based on the total costs of printing, handling, translating and mailing the candidate statement, including costs incurred as a result of complying with the Federal Voting Rights Act of 1965. Fresno County is required to print all candidate statements in English and Spanish. Each candidate filing a statement is required to pay their pro rata share as a condition of having the statement included in the County Voter Information Guide.

4. Sign Declaration and File the Candidate Statement

Once the estimated cost is paid, the Elections Official will accept the statement for filing. When filing, the candidate must sign a declaration executed under penalty of perjury, declaring that the information contained therein is true and correct.

Statements shall be filed with the county elections official when nomination papers are returned for filing, or in the case of an election for which nomination papers are not required, no later than the 88th day prior to the election.

Candidates are responsible for proof reading their own statement. The statement will be printed exactly as provided electronically. This office will not correct any misspellings or errors in grammar or punctuation. After filing, the statement can be withdrawn, but not changed. The last day to withdraw a candidate statement is the first business day after the close of filing

GENERAL FORMAT

Statements will be printed in uniform type, style and spacing. Paragraphs should be indented and single-spaced, with no line spacing between paragraphs. NOTE: The County Clerk/Registrar of Voters may need to make adjustments to the candidate statement for space requirements in the county voter information guide. The statement may include the candidate's age, occupation, and a brief description of the candidate's education and qualifications.

Header

In the header of the statement a candidate must state their name, and optionally may place their age and occupation. This is not included in the word count. Occupation is not restricted by ballot designation limitations; however, the occupation may not exceed 7 words in length.

Description of Education, Qualifications, and Personal Background

The body of the candidate statement is a description of the candidate's education, personal background and qualifications. This section is limited by the word count (see below).

Statements must be written in the first person. For example:

- "I am running..."
- "I went to....."
- "I believe...."

The statement cannot be written in 3rd person, quote other persons, and shall not in any way make reference to other candidates for that office or to another candidate's qualifications, character, or activities. For example:

- "She is running..."
- "Jane Doe is running..."
- "My opponent is....."

Formatting Not Permitted

- Extra indentations
- Any bold
- Underlining of words
- Italics
- Graphics
- Extra punctuation
- Capitalized words for added emphasis

CITY COUNCIL DISTRICT	
Candidate's Name	Age: 32*
Occupation: Businesswoman*	
<p>Education and Qualifications: I can bring to the office a diversity of viewpoints and experience. Born and raised in the Fresno area with my family still farming, I can appreciate the concerns of the environmentalist. On the other hand, having been in business since my undergraduate days at college and with my experience in the rental and real estate fields, I appreciate the housing requirements of our community. As a recent student, I understand their needs for a variety of housing choices and their frustration with high rental costs. I tend towards moderation and a real balancing of the competing segments of the community. I encourage differing viewpoints rather than the them and us concept.</p> <p>I advocate a program to protect our neighborhoods from increasing overcrowding and visual blight. I support a shopping center in the city and would insist on a plan to encourage the commercial enterprises that complement our shopping needs. Our council should actively consider subsidized housing for senior citizens and perhaps others, but with implementation only after voter approval of a specific program.</p>	

PROVISIONS OF THE CODE OF FAIR CAMPAIGN PRACTICES

As found in Chapter 5 of Division 20 of the California Elections Code

ARTICLE 1. General Intent

20400. The Legislature declares that the purpose of this chapter is to encourage every candidate for public office in this state to subscribe to the Code of Fair Campaign Practices.

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidates to discuss issues instead of untruths or distortions.

ARTICLE 2. Definitions

20420. As used in this chapter, “Code” means the Code of Fair Campaign Practices.

ARTICLE 3. Code of Fair Campaign Practices

20440. At the time an individual is issued his or her declaration of candidacy, nomination papers, or any other paper evidencing an intention to be a candidate for public office, the elections official shall give the individual a blank form of the code and a copy of this chapter. The elections official shall inform each candidate for public office that subscription to the code is voluntary.

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

The text of the code shall read, as follows:

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice that tends to corrupt or undermine our American system of free elections, or that hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.

(7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.

E.C. §20442. The elections official shall accept, at all times prior to the election, all completed forms that are properly subscribed to by a candidate for public office and shall retain them for public inspection until 30 days after the election.

E.C. §20443. Every code subscribed to by a candidate for public office pursuant to this chapter is a public record open for public inspection.

CAMPAIGN DISCLOSURE REQUIREMENTS OFTEN OVERLOOKED

BE INFORMED: The Franchise Tax Board is authorized under Section 90001 of the California Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures.

The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some often overlooked requirements are highlighted here:

- All candidates, even unopposed candidates, are subject to the campaign disclosure provisions of the Political Reform Act. (Gov. Code §82007)
- Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file Form 501 (candidate intention).
- Contributions include **PERSONAL FUNDS** and are subject to the same disclosure requirements.
- A Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling \$2,000 or more.
- Officeholders and candidates who receive contributions or make expenditures must establish a campaign checking account in California.
- Loans to a candidate are considered contributions unless the loan is from a financial institution.
- Never accept or spend \$100 or more in cash.
- For contributions of \$100 or more, including loans, you must disclose the contributor's name, address, occupation, and employer. (Gov. Code §84300)
- Maintain details on contributions and expenditures of \$25 or more, even if you are spending less than \$2,000.
- Make copies of all contributor checks.
- Itemize expenditures of \$500 or more made by an agent or campaign consultant.
- Include your name and campaign address in at least 6-point type on the outside of all mass mailings (more than 200 pieces). Your committee's name may be used if it includes your name. If your name is not part of the committee's name, you may use just your name, or both your name and the name of the committee.
- Candidates must disclose employer information for all contributors and keep all records of occupation and employer information.

- **NO PERSONAL USE OF CAMPAIGN FUNDS.** Use campaign funds only for political, legislative, or governmental purposes.
- The source for each loan must be disclosed.
- All expenditures of \$100 or more must be itemized on the campaign statements, and then summarized on the Campaign Disclosure Statement Summary Page.
- As long as a committee is in existence, a Semi-Annual Campaign Statement must be filed. If the candidate has filed a long form (460) previously in the calendar year, a 460 must be filed as the Semi-Annual Statement even if there is no activity.
- Payee addresses must be disclosed on the campaign statements for expenditures made.
- If the committee changes its treasurer, an amendment to the Form 410 Statement of Organization must be filed within 10 days.
- If \$1,000 or more is received from one contributor during the last 90 days before the election, disclose receipt within 24 hours, even if the contribution is from your **personal funds**.

PLACEMENT OF NAMES ON THE BALLOT

The order in which candidates' name shall be placed on the ballot is specified in Elections Code §§13111 and 13112. Election Code §13109 specifies the order of precedence of offices on the ballot.

Random Alphabet Drawing

At 11:00 a.m. on the 82nd day before the election, the Secretary of State's office pulls each letter of the alphabet at random according to the procedure specified in Elections Code §13112 and compiles a randomized alphabet. The County Clerk/Registrar of Voters conducts a random alphabet drawing (Elections Code §13111) to determine the order of candidates on the ballot for multi-county state legislative districts. The randomized alphabet is used in the same manner as the conventional alphabet in determining the order of all candidates' names in all elections. It is used statewide for the placement of names on the ballot, except as otherwise specified.

Rotation of names on the ballot

- **Candidates for Statewide Offices:** Candidates for offices voted on throughout the state are placed on the ballot in the random order in the First State Assembly District. In the next district the candidates listed first move to the bottom of the list and all other candidates move up one position. This rotation continues through all 80 State Assembly Districts.
- **Candidates for Congress:** Candidates are placed on the ballot in the random order in the lowest numbered State Assembly District within the Congressional District. The candidate's names are rotated in the same way as described above but only by the State Assembly Districts within the Congressional or State Board of Equalization District.
- **Candidates for Countywide Offices:** Candidates for countywide offices are placed on the ballot in random order and rotated by Supervisorial Districts within the county.
- **Candidates for State Senate and Member of the Assembly in Districts that cross county lines:** Candidates are placed on the ballot in a random order drawn by the County Clerk/Registrar of Voters within each County.
- **Candidates for other offices:** Candidates are placed on the ballot in the Secretary of State's random order and are not rotated.

Dear Candidate or Committee Member:

As a candidate or campaign worker for either office or a ballot measure, this reminder about State law governing campaign signs should be helpful to you.

Section 5405.3 of the State Outdoor Advertising Act exempts the placing of Temporary Political Signs from normal outdoor advertising display requirements.

A Temporary Political Sign meets the following criteria:

- A. Encourages a particular vote in a scheduled election.
- B. Is placed no sooner than 90 days prior to the scheduled election and is removed within 10 days after that election.
- C. Is no larger than 32 square feet.
- D. Has had a Statement of Responsibility filed with the Department certifying a person who will be responsible for removing the sign (Attached).

A completed Statement of Responsibility must be submitted to:

Division of Traffic Operations
Outdoor Advertising Program
P.O. Box 942874, MS-36
Sacramento, CA 94274-0001

Temporary Political Signs shall not be placed within the right-of-way of any highway, and be visible within 660 feet from the edge of the right-of-way of a classified "Landscaped freeway".

State law directs the Department of Transportation to remove unauthorized Temporary Political Signs and bill the responsible party for their removal. We are calling these provisions to your attention to avoid possible embarrassment or inconvenience to you and your supporters. Please share this information with those assisting in your campaign.

Should you have any questions, comments or need additional information, please call (916) 654-6473.
