

Vote NO on the ballot initiative to repeal the current 4 districts and Mayor at Large way of electing our leaders. For one, this is the first election that we get to elect our own Mayor, and we have not given the 4 districts and Mayor at Large a chance to see how it works. Selma citizens should have the right to elect our own Mayor not have it selected for us by some calendar rotation or by 5 people on the City Council. The Mayor represents all 4 districts so there are not 2 representatives of one district. And let's face it, Selma's size makes this argument irrelevant: all council members represent the entire city in that their decisions affect the city as a whole. The bottom line is that we have never been able to elect our own Mayor before and the people who want you to vote yes to repeal the current system of 4 Districts and Mayor at Large don't want you to have that power to elect your own Mayor. Stand up for our right to ELECT OUR MAYOR not have one selected for us. Vote NO.
