COUNTY CLERK/REGISTRAR OF VOTERS
BRANDI L. ORTH

Welcome to the November 2020 Election Worker Online Training class. This class is made up of four (4) videos, comprising about an hour's worth of material, that will introduce you to how Fresno County operates an election. This is a required course and you must watch all four videos to receive credit.

Please watch the "Nov 3 2020 Election worker Online Class Video" FIRST. This video provides an overview and introduction to Fresno County elections and devices highlighted in the other three videos. You may start and stop videos as you like, but please watch the full "Nov 3 2020 Election worker Online Class Video" before watching the shorter equipment specific videos. This will give you a grounding to understand the equipment specific material in the other three videos.

Please watch the remaining videos in the following order:

"ICE Ballot Tabulator Operation"

"ICX Ballot Marking Device Operation"

"ICX Ballot Marking Device Accessibility Functions"

After completing all four videos, please take the quiz attached to the class. The access code for the quiz is "ewonline". Training class staff will be notified when you have completed the class, whether you have completed the quiz, and whether you have watched all four videos, as required. You will be compensated with two hours pay when we receive confirmation that you have completed ALL material of the Election Worker Online class.

Failure to complete all portions of the class will threaten your Election Activities assignment.
