

For more than a century, Fresno Chaffee Zoo has educated, entertained, and delighted visitors. In 2004 and again in 2014, Fresno County voters overwhelmingly approved Measure Z. Now, we have the opportunity to expand the work that has been done over the last 18 years and continue improvements to make our Zoo a regional treasure.

The Zoo has been a good steward of your hard-earned dollars. Past Measure Z funds have built Sea Lion Cove and African Adventures along with our new Kingdoms of Asia exhibit opening in 2023. The Fresno Chaffee Zoo is committed to ensuring our animals are safe and their habitats are well maintained while keeping entrance fees low. This balance can only continue if Measure Z funds are once again approved.

Fresno County residents can now vote to continue their support of our zoo by voting YES on Measure Z. Let's ensure that our children and future generations can continue to enjoy one of Fresno County's proudest achievements.
