

It is unfortunate our community has lost both Dr. Pete Mehas and Mr. David McDonald, however, if they were here today, I know they would be at the forefront of this campaign—Yes on Measure Z. Mr. David McDonald, along with countless community members, put Measure Z on the ballot both in 2004 and in 2014. As a long time friend of Dave McDonald, I can tell you he was proud of our Zoo and would want to see it continue to grow!

The Zoo is so much more than an entertainment venue, it is a place to create family memories, celebrate our environment and learn about nature and how animals interact with it. The educational opportunities that our Zoo provides the children of Fresno County has been shared from generation to generation.

If you have visited the Fresno Chaffee Zoo over the past 18 years, it is evident that the will of those who have faithfully supported the Zoo is not lost on those who decide how Measure Z dollars are spent. I believe our community is proud of their Zoo.

Measure Z is **not** a permanent tax – that is the exact reason it is on the ballot today – it is for the voters in Fresno County to decide if they approve of the progress made and if they want to see that growth continued.

If you have specific questions about Measure Z, we would love to hear from you. Please reach us at www.yesonz.net
