

ARGUMENT IN FAVOR

Great schools and great communities make a difference!

The Cutler-Orosi Joint Unified School District provides outstanding education for students in Cutler-Orosi. In the last five years four district schools have been recognized as Model Schools by the State of California and the District has received recognition for high graduation rates, high A-G completion in the County and for obtaining test scores in several grade levels above the State average.

There are many challenges in rural communities with no city government. Recreational facilities, organized youth sports, and community events would be non-existent if it wasn't for the diligent vision and work of the Cutler-Orosi School Board of Education and staff. The District currently organizes and supports community youth sports, intramural events, and provides facility accessibility to the community.

Your YES vote on Measure _ would provide community accessibility to the Cutler-Orosi Sports Complex(es) and future school recreational facilities. The parcel tax would:

1. Hire staff to maintain and operate the sports facilities and aquatic complexes.
2. Pay for utilities in support of the sports and aquatic complexes.
3. Purchase equipment for the operation of youth programs and sports.
4. Pay transportation costs associated with youth enrichment programs.
5. Purchase necessary equipment and supplies to manage and operate the sports, aquatic complexes, and recreational programs.

Preparing students for college, career, community and to be able to compete in a global economy is the vision we have for all students. Your support on Measure _ is a smart investment for improving the educational system and community of Cutler-Orosi. High quality schools with high quality programs and facilities provides for a strong community, attracts new families, and enhances property value. The Parcel Tax will only cost each parcel owner \$4 monthly, which is \$48 yearly. Please vote YES on Measure _ in November.
