West Hills Community College District  
Argument in Favor of Measure K

Firebaugh's local community college center is our region's **most important source of job training**. Continuing to offer our residents access to quality education, job training facilities, and improved college classrooms is critical to the future economic health of our area.

Your YES vote on Measure K will allow the West Hills College Firebaugh Center to keep pace with today's rapidly changing educational and job training technology. Measure K funds can only be spent in our community and **CANNOT BE TAKEN BY THE STATE AND SPENT ELSEWHERE**.

Firebaugh Center projects to be funded include:

- Providing up-to-date computers, internet infrastructure and job training technology
- Installing energy efficient solar panels to reduce electricity costs
- Upgrading cameras and security systems to protect the local campus

At the same time, it is critical that any local bond measure comes with tough legal safeguards to protect taxpayers and local property owners. Measure K does this by:

- Providing funding through short-term bonds so taxpayers won't be left with payments for outdated technology and equipment
- Requiring annual audits and independent taxpayer oversight of how funds are spent
- Imposing strict legal safeguards requiring that all funds be spent on our local college and not siphoned off by the state
- Prohibiting funds from going to administrator salaries, pensions or benefits

Measure K deserves our support. It will keep our tax dollars local while improving the quality of our college and protecting and enhancing local property values. Please join us and **VOTE YES ON MEASURE K!**

Brady Jenkins, Mayor, City of Firebaugh

Craig Knight, Realtor

Danny Barragan, MOT Director, FLDUSD

Ben Gallegos, City Manager
