Text of Argument Below This Line

=====

Measure M is written so that council can change how the taxes are spent at any time. Who does it benefit? The city and a slew of special interests, including chamber of commerce and public unions. Maybe a few veterans.

Section 7-1606, allegedly, controls spending. The council can change the allocations anytime it wants. Notwithstanding the language "specific and legally binding and enforceable limitation" (7-1605), there is no limitation on spending, because 7-1606 is written so loosely.

The hook is veterans. Doesn't almost everyone have compassion for how the federal government, the agency that creates veterans, has mistreated them?

We feel compassion for the terrible situation that feds have put them in too. Council is counting on your emotions to pass this tax. After it's passed, they'll spend it on their pet programs.

OVERSIGHT? It's a fraud. Citizen oversight ends when votes are cast. If you could trust council, why would you need oversight?

STRICT ACCOUNTABILITY? Fraud number 2. There are no accountability police. When you're not looking, they do whatever they want.

PROJECT LIST? There is none. Measure M includes just about everything under the sun. Read it.

ADMINISTRATOR SALARIES? Of course! Read the fine print!

The entire system is rigged to pass taxes. That's not just our opinion. <http://bit.ly/GrandJury2021>

Bottom line: Only undecided voters can be persuaded by arguments. 90% don't even read them. Undecideds determine the election. We can't win without your help.

Vote HELL NO! on Measure M (\$390,000,000 tax).
