Text of Argument Below This Line

=====

How are your children, grandchildren doing?

It's common knowledge that public unions control the entire public education system in California. Membership is voluntary since *Janus v. AFSCME* (2018) (<https://www.leagle.com/decision/insco20180627f06>). Are the district board just union puppets?

Didn't they shut down your schools? Didn't they extort benefits? Didn't they crush learning progress? Didn't they destroy your children's social framework? Didn't they fill your children's young minds with all manner of propaganda? Now they're coming for your money.

But let's talk about this tax too.

OVERSIGHT? It's a fraud. Citizen oversight ends when votes are cast. If you could trust the board, why would you need oversight?

STRICT ACCOUNTABILITY? Fraud number 2. There are no accountability police. When you're not looking, they do whatever they want.

PROJECT LIST? There is none. Measure K includes everything under the sun. Read it.

ADMINISTRATOR SALARIES? Of course! Read the fine print!

The arguments and rebuttals are written by agents of the school bonds cartel. The signers are just tools. <http://bit.ly/ElectionCheating>

Less than 15% of your taxes will go to facilities that will still be around by the time the bonds are paid off. (Remember, at least half goes to wealthy investors, right off the bat.)

The entire system is rigged to pass taxes. That's not just our opinion. <http://bit.ly/GrandJury2021>

Bottom line: Only undecided voters can be persuaded by arguments. 90% don't even read them. Undecideds determine the election. We can't win without your help.

Vote HELL NO! on Measure K (\$27,045,000 tax).
