West Hills Community College District – Firebaugh Center
Rebuttal to the Argument Against Measure K

By _____
FRESNO COUNTY CLERK
DEPUTY

The West Hills Community College District is the **single most important source of job training in our community.**

In fact, a recent report estimates that **nearly 90%** of the adult residents in our community have either taken a class or know someone who's taken a class at the college within the past few years.

Its positive impact has transformed the lives of so many in our community. For some, the college has provided career training and the ability to complete a two-year degree. For others, it has allowed them to enhance their current job skills or obtain additional certifications. And for many, it has given families of students wanting to transfer to a four-year college the ability to save thousands of dollars—making a college degree attainable for many who otherwise could not afford it.

Our families. Our neighbors. Our businesses. Our citizens. Each and every one of us benefits from having a remarkable institution like West Hills College Firebaugh Center within our community.

The West Hills College Firebaugh Center is one of our most valuable local public institutions.

Let's keep it strong. Vote Yes on Measure K.
