=====

Broken Roads, Broken Promises, Higher Taxes. Vote NO on Measure C!

Measure C will create a \$6.8 Billion tax for 30 years, yet the current Measure C does not expire until 2027. We cannot afford to lock in higher taxes while dealing with surging inflation. It is too soon, too expensive, and too rushed.

We've already paid into Measure C for 35 years, yet our neighborhood streets and sidewalks remain broken. Instead of fixing our roads, politicians gave away subsidies to rich developers unwilling to pay their fair share and left our neighborhoods behind.

Developers and politicians have been cutting deals behind closed doors and wrote ballot language to mislead voters. Again. Now they are back for more of our money with the same empty promises they made in 1986 and 2006.

Measure C is full of potholes, riddled with loopholes, and will make our air pollution worse.

We cannot afford to pay higher taxes for a political slush fund that cuts public transportation in half. There is NO guarantee that our tax dollars will be used to fix our neighborhood streets, hire local workers, clean our air, or keep our children safe. Measure C even allows politicians to redirect our dollars without voter approval.

We are parents, grandparents, community, labor, faith, and business leaders committed to creating a safer and healthier Fresno County. Visit us at Votenameasurec.com.

Join us and vote NO on Measure C. Our children are counting on us to get this right.
