

Argument in Favor of Measure __
Orange Center School District

Everyone knows the importance and value of having quality schools. From higher achieving students, to greater neighborhood safety and improved property values, quality schools make a difference. While our teachers and staff do their best in educating our children, many classrooms and school facilities in the Orange Center School District are outdated and inadequate to provide students with the facilities they need to succeed. This is why our students need your **YES vote on Measure __!**

Although Orange Center Elementary School has been well maintained over the years, aging classrooms and facilities must be upgraded since many do not meet 21st century standards. Measure __ would allow the District to improve our local school and the quality of education provided to local children. By investing in our school, we can meet today's safety, technological, and educational standards and better our community.

If passed, Measure __ will provide funding to make critical facility improvements at Orange Center Elementary School by:

- Repairing/replacing leaky roofs
- Modernizing outdated classrooms, restrooms, and school facilities
- Making health, safety and handicapped accessibility improvements
- Repairing or replacing outdated heating, ventilation and air-conditioning systems
- Replacing temporary portables with permanent classrooms

Measure __ makes financial sense and protects taxpayers.

- All funds must be spent locally and cannot be taken by the state.
- By law, spending must be reviewed and annually audited by an independent citizens' oversight committee.
- Funds can only be spent to improve Orange Center Elementary School, not for teacher or administrator salaries.

Measure __ replaces old and inadequate classrooms, improves the education of local children, and maintains the quality of our community. That's something we can all support. Please join us and VOTE YES ON MEASURE __!
