

No after-hours care? No problem.

Now the distance between you and a doctor is as close as your mobile phone.

Illness, injury and medical concerns don't always follow traditional business hours or make it easy to leave the house. And there's nothing more important than the health of your family. As part of your Anthem Blue Cross medical plan, you and your dependents ages 1+ have access to 98point6® virtual primary care for **\$0 per visit.***

Care that fits your life and your schedule

Doctors available 24/7 right from your phone

No appointment, no travel and no out-of-pocket copay or deductible

Prompt diagnosis and treatment, including ordering of labs and prescriptions

Start a visit anytime, from anywhere, to address issues like:

How can I manage my diabetes?

Does this cut need stitches?

It feels like I've got a UTI.

I need an emergency refill of my inhaler.

Is this rash poison ivy?

I think my child has pink eye.

Should I get the COVID-19 vaccine?

Get ready before you need it

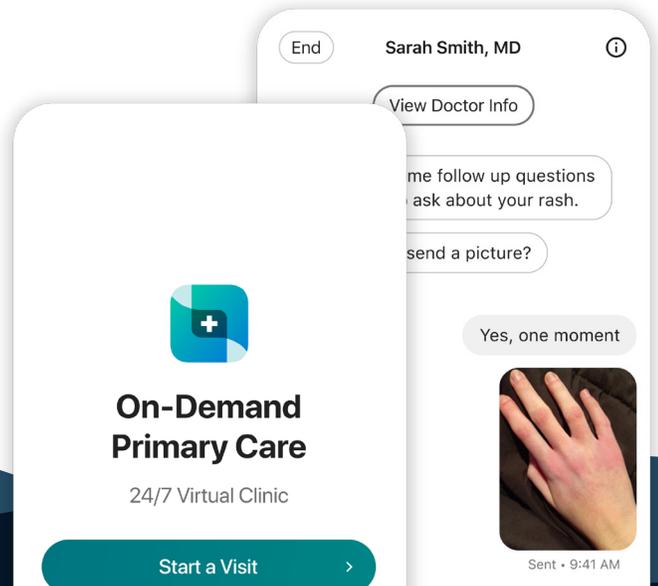

Medical concerns are unpredictable, but setting up your account right now ensures you can instantly start a visit when symptoms do arise.

Scan this QR code using your smartphone camera to download 98point6 and fill out your personal profile now.

Already registered? Go right to starting a visit if you need care.
